NORTH EAST HOCKEY CLUB INC.
PO BOX 178 MODBURY NORTH SOUTH AUSTRALIA 5092

Premier League Women's Coach 2011

The North East Hockey Club is seeking to fill this position for the coming 2011 season due to the retirement of our current Premier League Women's Coach.

While the previous coach has done the ground work in preparing a squad of young talented players, the NEHC committee believes that an opportunity exists for a motivated coach to further develop the playing group to meet their own and the clubs expectations for success.

The primary responsibility of the coach is to ensure that the Premier League Women's Team is prepared and performs well at the highest possible standard.

Other expected responsibilities will include; development of the club's current players, recruitment of new players, development of an approved style of play and it's application through all club grades, monitor development of juniors, run training at least twice per week, attend both Premier League and Metro 1 women's matches each week, and implement the policies of the club.

Remuneration is negotiable and the club will fund a training budget to cover training expenses.

An application pack is available from our web site at www.nehc.asn.au.

Applicants should submit applications to Ken Millar (see below) before 30/09/2010.
