# HALL OF FAME

## Katie Allen OAM

Hockeyroos defender and Olympic champion, KATIE ALLEN OAM, was inducted into the South Australian Sport Hall of Fame for 2021.

Allen represented Australia on 182 occasions after coming through the ranks at Burnside Hockey Club, earning the respect of high-flying national teammates with her reputation as a tenacious and hard-working defender. Her playing career overlapped with the golden era of Australian women's hockey through the 1990s and early 2000s, during which she won two World Cups, three Champions Trophies and a Commonwealth Games Gold Medal.

But her most famous victory came at Sydney 2000 where she played in every minute of an eight-game tournament to help the Hockeyroos defend their Olympic title, with a raucous home crowd at their back and the weight of an expectant nation on their shoulders.

Katie Allen joined fellow South Australian Sport Hall of Famers Juliet Haslam OAM (2010), Robert Haigh (2011), Sandy Pisani OAM (2015), Grant Schubert OAM (2018) and Alison Peek OAM (2019).

## Juliet Haslam OAM

In December 2021, Juliet Halsam OAM was inducted into the Hockey Australia Hall of Fame in the athlete category.

An integral player and leader of the Hockeyroos' golden generation that won successive Olympic gold medals in 1996 and 2000, Juliet played 220 international matches and scored 30 goals. Juliet's decorated career also saw her win a Commonwealth Games gold medal, two World Cups and five Champions Trophies. She was named in the Australian Women's Hockey 'Team of the Century' and in 2004 was announced as South Australia's Greatest Ever Female Hockey Player.

Haslam states that her greatest moment was winning the Gold in front of a hometown crowd in Sydney.

Juliet Haslam is one of only four South Australian athletes in the Hockey Australia Hall of Fame athlete category – alongside Robert Haigh (2008), Evelyn Tazewell (2008) and Trevor Smith (2011).

# In Memorium

Hockey SA was saddened by the passing of Roy Dedman on 11 October 2021.

For more than 50 years Roy Dedman's dedication to the sport of hockey in South Australia as a coach, player, umpire, umpire coach, umpire manager and volunteer was recognised and rewarded with Hockey SA Life Membership in 2018.

- Involved with Elizabeth Hockey Club from mid 1970's - 1984
- Coach at Salisbury North Primary School from 1977 - 1982
- Associated with Grange Royals Hockey Club from 1985
- Umpire from 1986 –
  - Umpiring at National Championships

- Umpire Coach for Hockey SA
- Umpire Manager / Coach at Under 13 National Championships
- Regional Association visits to support umpire development
- Hockey SA Volunteer of the Year in 2014
- Hockey SA Life Membership in 2018

Even on Grand Final day 3 weeks prior to his passing, Roy was still out in the community assessing and coaching the umpires. A true testament to his commitment to Hockey.

# CEO Report

2021 was a strong year for Hockey in South Australia, given the current environment after a return to sport after a heavily impacted year from Covid. The year saw an increase in participation, record Hookin2Hockey participation, a major sponsorship agreement with Mate, significant government support for infrastructure and a strong balance sheet.

Broader progress towards the ambition set out in “Stronger Together” was achieved and many of the building blocks for a more sustained future. All of this was possible through the collaboration and trust from the Affiliates, and dedication of the Board and Management to be better.

Hockey SA delivered schools clinics to 15,000 school students, which led to close to 400 Hookin2Hockey Program registrations. Standout programs included Port Pirie Hockey Association and Burnside Hockey Club with 50+ participants.

The winter competition commenced with no interruptions and teams bounced back and exceeded pre pandemic levels and in the Metro competitions.

Management secured a Naming Rights Partner to the State Hockey Centre in Mate. Mate also came onboard as the Adelaide Fire’s major partner. Mate honoured their sponsorship agreement after the Hockey One season was cancelled.

Secured funding from ORSR to complete the Hockey SA Strategic Facilities Masterplan was a major achievement. Strong liaison with State Government resulted in the successful \$1.5m grant which was announced in early 2022 which is funding the pitch replacement and lighting improvements happening today.

Management continued to run frequent Club & Association forums, to continue to communicate our progress against the “Stronger Together” Plan.

I have personally enjoyed my time spent with the SA hockey community. I’d like to thank outgoing staff Daniel Mitchell, Shauna Baldwin and Matthew Beacroft, the Board, Sponsors and Government for their services and support of Hockey SA. My thanks and best wishes also goes to all Hockey SA Affiliates.

Andrew Skillern  
Hockey SA, CEO

# Presidents Report

Like many sporting codes, Covid had a significant impact on Hockey in South Australia. The impacts of a tough 2020 lead to the development of the Strategic Plan and creating a stronger financial base.

In 2021, Hockey SA was in a position to focus on getting back on a stronger footing by implementing 3 key initiatives –

1. Creating a school roadshow – growing participation is a key pillar for Hockey SA.
2. Collaborate with State Government – building statewide facilities for our sport and the community. The Chair thanked all the members who contributed. This gives us a framework to build our sport and build the home for elite hockey in South Australia, with the potential to host International Hockey.
3. To recruit Geoff Riddle as CEO – after running under a shared model for 2 years (originally meant to be 6 months). It was the opportunity to invest in building a South Australian team and some stability for Hockey in SA.

A special mention and thanks go to the Club Administration, at all metropolitan and regional clubs and associations, for helping get their club and players through another tough season.

Hockey One was a major casualty again due to Covid interruptions. It also remains a key pillar for growth in our sport.

Hockey SA is grateful to the sponsors who supported us, and for remaining with us as we endure these tough circumstances.

My thanks the entire Hockey SA Board for their contribution and dedication to helping bring stability to Hockey SA.

Anne Collins  
Hockey SA, Chair

# SASI Report

2021 was an exciting year and despite COVID disrupting a number of senior domestic events, athletes continued to train and develop with some normality beginning to return. The Tokyo Olympic come to front of mind, where SASI Graduate Jane Claxton co-captained the Hockeyroos in the Olympic Campaign and ex-SASI and South Australian Kookaburra member Tom Wickham won Olympic Silver.

As well as our graduates representing Australia and despite cancellation of U21 and Development Squad Camps, many athletes warranted reselection in National Development and Junior Squads, following performances in previous events and current commitments to individual development through the SASI training environment.

Miki Spano, Amy Hammond & Lachlan Busiko were selected in the 2021 National Development Squads, whilst Emma de Broughe, Hattie Shand and Fred Gray all re-gained selection in the National Junior Squad. The selection of these athletes in the respective National Squads is a very pleasing outcome for the SASI program and great reward for the athletes who remained committed to individual development through the very challenging years of 2020 & 2021.

On top of the above-mentioned athletes, a number of U18 Athletes were able to compete at the 2021 U18 National Championships and gain selection in the U18 Australian Futures Squads. Emily Cochrane, Lucy Sharman Lily Cazzolato and Mitchell Dell were all worth of U18 Australian Futures selection. The selection of these athletes is confirmation of the hard work and collaboration between SASI, Hockey SA state team staff and the volunteer coaches who work tirelessly to ensure Hockey SA state team and pathway programs are administered, coached and capable of performing at a national stage.

In October 2021, SASI co-organised and supported SASI athletes in attending the only senior institute event of the year. Attending a series which saw SASI, WAIS & QLD travel to Hobart and compete in a three-team competition with SASI/WAIS, Tassie Tigers & QLD athletes competing for the first time in over a year. The series was hugely rewarding with athletes re-connecting with peers and performing in front of national coaches who attended the event. A fantastic end to the year and an early benchmarking and preparation event for selection camps to be held early 2022.

In 2021 SASI welcomed the appointment of new Head Coach, Hugh Purvis who returned to Adelaide following a stint with the Canadian Men's National Team. During the interim period between Tim White's departure and Hugh Purvis appointment, Daniel Mitchell was named interim Head Coach. Daniel lead the SASI program with energy, passion and commitment and supported the SASI athletes to an extremely high standard. The SASI Hockey Program would like to thank Daniel for all of his efforts during in his time at SASI.

All of the opportunities in 2021 came as a result of the athlete's commitment to the daily training environment, hard work and dedication of the staff who work in the program. I congratulate all SASI athletes on their hard work throughout the year.

# High Performance

## State Teams

- Great to see the U15 & U18 State Teams both get away for their tournaments
- All 4 teams had some really competitive results
- Just great to see them back on the pitch with some form of normality after COVID

## Under 21

- Both U21 groups were selected and put through 12 weeks of preparation
- Very disruptive preparation with some disruptions due to COVID both in SA and interstate
- Tournament eventually being cancelled but both groups continuing their learning journey regardless

## Under 13

- Both groups trialled and were selected
- Tournament was cancelled really early on
- Teams still went through a preparation process and ended up playing matches vs the Fire Academy
- Very worthwhile process for both groups starting their State Team Journey\

## Fire Academy

- A new looked Fire Academy was executed
- Having a focus on Skill Acquisition type learning via focussed training blocks
- Hockey 5 Game Days had a huge part to play with developing these skills in competitive environments
- Provided some young budding coaches an opportunity to develop their technical skills coaching knowledge while helping the next generation of Hockey SA players

## Super League

- Super League was back to play a vital role in the U21 Team Prep as well as being the main vehicle for selection of the Adelaide Fire groups
- Great to see this standard of hockey back at a senior level
- Provided some coach development opportunities for coaches around SA

## Adelaide Fire

- Both Adelaide Fire groups were selected from the Super League – Hockey One unfortunately was Postponed very early on
- Events started to pop up with HC Melbourne scheduled to come to Adelaide for some friendlies and the Fire had committed to play in the Capital Challenge in Canberra both unfortunately didn't play out due to COVID
- Both Adelaide Fire groups were put through a Technical Skills Development Block through the back end of the year regardless
- This was a very worthwhile block and I thank all the athletes for committing to it

Hockey SA would like to thank all participants, volunteers, parents, coaches, managers and anyone who has played apart 2021. After a challenging 2 years, it has been great to see many people involved in the sport.

# Officials Development

Many challenges arose in 2021 due to the ongoing COVID-19 pandemic along with new staff within Hockey SA working to survey the landscape around officials' development within South Australian Hockey.

Through 2021 HSA worked closely with Hockey Victoria to work out the best way forward in overhauling the pathways in place to enable greater development opportunities for officials within South Australia.

In planning these pathways upskilling was required with some of the younger officials within Hockey South Australia which meant Meg Bourne, Jackie Lewis-Gray and Dylan Aird sat their level 1 umpire coaches course held online by Hockey Victoria.

After sitting this course Meg, Jackie and Dylan were then able to hold a Level 1 Umpire course in June with 40 attendees.

After further consultation through the back end of the season Hockey SA was able to develop an official Pathway Structure to be announced and implemented heading into the 2022 season. Through this pathway, Hockey SA are hoping to be able to create a clearer overview of the pathway from grassroots all the way to officiating at the national level and offer support and development opportunities along the way.

# State Officials

Unfortunately due to the ongoing complications of the COVID-19 pandemic throughout 2021 only the U15s and U18s National Championships were held in 2021.

Although this was the case it was pleasing to see South Australia have officials represent the state at these National Carnivals along with others being named into the U13s, National Country and Masters Nationals before they were cancelled.

The following officials were named to National Carnivals for the 2021 Season.

**Dylan Aird and Maya Standish** – Under 15's Umpires

**Gary Beldar** – Under 18s Umpire Manager

**Meg Bourne and Jackie Lewis-Gray** – National Country Championships Umpires

**Jesse Isaac, Chloe Andersen and Sam Custance** – Under 13's Umpires

**Sarah Stroeher** – Assistant Tournament Director Masters Nationals

**Ben Sutherland, Caleb Connor** – Umpires Masters Nationals

# Awards Night

The 2021 Awards Night was once again in online format. Presented from the State Hockey Centre, clubs and associations held their own functions and connected online.

MC Ben Hook again delivered an excellent event supported by his extensive Hockey knowledge.

In 2020 some of the awards from previous years were not relevant due to COVID limitations, the Team of the Year Award was reintroduced.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of South Australian Hockey Association Inc. (ABN 35 860 812 384).

**Report on the Audit of the Financial Report**

**Opinion**

We have audited the financial report of South Australian Hockey Association Inc., which comprises the statement of financial position as at 31 December 2021, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the officers' declaration.

In our opinion, the financial report of South Australian Hockey Association Inc. has been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, including:

- giving a true and fair view of the entity's financial position as at 31 December 2021 and of its financial performance for the year then ended; and
- complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Associations Incorporation Act 1985 and associated regulations.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Information**

The officers are responsible for the other information. The other information comprises the information included in the entity's annual report for the year ended 31 December 2021 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of the Officers for the Financial Report

The officers of the entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Associations Incorporation Act 1985, and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the officers are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the officers either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The officers are responsible for overseeing the entity's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the officers.
- Conclude on the appropriateness of the officers' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

### Auditor's Responsibilities for the Audit of the Financial Report (continued)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
