Hockey SA Chair Report

Writing an Annual Report to Members is a yearly opportunity to reflect on the year past – from end October 2013 to end October 2014. I would like to congratulate all our athletes and officials who represented South Australia at National and International events. Particularly exciting was the World Cup in the Netherlands. Congratulations to Jane Claxton, Georgie Parker, Karri McMahon, Tim Pullman and Rosie Stern on a wonderful tournament.

2014 was the first full year for us with a second international pitch at the State Hockey Centre. The second pitch allowed Hockey SA to host the first Just Hockey Pre-season cup with all Premier League teams at the venue across a weekend. The Women's event was won by Burnside, and the Men's event by Seacliff – from they continued all season and eventually taking out the Premier League Men's Grand Final. It was particularly pleasing to see so many of our community enjoying the weekend, and catching up after the summer period. Having a second pitch also gave South Australia the opportunity to host the combined AHL and U13 Boys National Championships. It was fantastic to note the interaction between the AHL players, many of whom were Kookaburras, and the U13 teams. It was also an opportunity to get up close with the World Cup following the Men's successful campaign in the Netherlands.

Congratulations to Tony Gunn and the U13 boys' team. They finished fourth in their Championship out of twelve teams. We all look forward to watching these young men develop and continue their involvement in hockey.

The Hockey SA staff delivered the AHL to a new standard in Australian hockey. For the first time, tickets were sold online to an event at the State Hockey Centre, enabling HSA to collect data on attendances. The Board took the decision to stream all games live online, also enabling Hockey SA to capture data

around online viewing. I would also like to thank particularly Ben Hartung, General Manager Hockey, from Hockey Australia who was a fantastic resource for staff and we all appreciated his support. Hockey SA continues to work toward hosting International Hockey in South Australia. Hosting AHL and U13 demonstrated our undeniable capacity to host a major event, and the Board and CEO continue to explore every avenue to make this dream a reality.

Hockey SA continues to strengthen and improve its governance and work practice. The Board was delighted to announce the appointment of Andrew Ellis as CEO. Andrew stepped down from the Board to take up an interim role, and the Board confirmed his appointment as CEO during the successful AHL Men's championship. Andrew brings a wealth of expertise to Hockey SA particularly in the areas of business administration, project management and work, health and safety. With the staff, he is implementing many changes and improvements in workplace practices, policy and efficiency within the workplace. He has been instrumental in building a strong and cohesive staff team and the Board looks forward to stability in our core group of people.

Hockey SA welcomed a new Life member in Tony Appleyard. Congratulations, Tony. More on his induction may be found later in this report. I would also like to make special mention that in 2015 it will be 50 years since our longest serving Life Member Margaret Baker AM was awarded her membership.

Port Adelaide District Hockey Club celebrated its 80th birthday in May 2014. The strength of our sport lies in clubs such as this with a rich history, strong traditions and passionate supporters. Melody Cooper and Mark Victory were appointed co-coaches for the 2014 Hotshots. It was the first time in Australia that a woman was appointed to head coach a men's AHL team. For Hockey

SA, it was a well-deserved appointment and the appointment of these two respected coaches to this team was a reflection of the commitment to support future development for our state teams. Hockey SA continues to enjoy the support of the South Australian State Government. We enjoy a close working relationship with the Office for Recreation and Sport as well as the Department of Planning, Trade and Infrastructure. We will continue to work towards a program of capital works for the stadium. It is a strong desire of the Board to maximise use of the Stadium. We are investigating potential daytime activities at the Stadium and alternate revenue streams to underpin the management cost of running such a significant piece of infrastructure.

It is with quiet satisfaction I draw your attention to the continued stability and improvement in the financial position of the Association. This stability underpins every aspect of the business and allows re-investment back into the sport not just in the programs on offer both in Adelaide and the regional Associations but in every aspect of running a significant Member based Association.

I wish to thank the numerous volunteers, coaches, parents, athletes, officials and Members who volunteered their time, attended review sessions, consultation sessions, development sessions, events or meetings. We value your time and your contribution to hockey.

My thanks must also go to Andrew and the staff of Hockey SA. Your work ethic and dedication is much appreciated. Hockey enjoys the most cohesive and dedicated team of staff members and it is a joy to work with you. The Board also continues as a strong, cohesive group of people working towards a better future for hockey in South Australia. We are always open to talk to people who may be interested in joining as a Director or as a member of one of the Board sub committees and I invite

those people to get in touch with one of the Directors. I thank the Directors for their time, their passion for all things hockey and their support of Hockey SA.

Helen Stone
Chair, Board of Directors

SA State Under 13 Boys

Chief Executive Officers Report

The past twelve months has brought a number of changes, including a change of CEO after Darryl Buchanan's resignation in June 2014. Overall, we finished the year in a stronger position with a good financial result, excellent staff and improvements made to how we are governed and managed as an organisation.

AHL Men & U13 Boys National Championships

Hosting the AHL Men and U13 Boys National Championships was a major highlight in the 2014 calendar. We had 25 of the 30 Kookaburras squad here in Adelaide with national coaches Graham Reid and Paul Gaudoin sitting in our grandstand to watch every game.

As well as having some entertaining hockey to watch, we received a number of benefits out of the tournament, including a training session that Graham Reid ran for our Premier League & State Team coaches, coaching clinics and presentations from captain Mark Knowles on what it takes to be a Kookaburra, and a parent information session from Hockey Australia High Performance Director Trish Heberle on the pathway from being a junior in U13 up to the national senior program.

All staff did an amazing job of preparing for and running such a professional event, and received high praise from Hockey Australia and those who attended. In particular, Katrina Ranford and Penny Redmond made outstanding contributions and dedicated significant time to the event. I am also thankful for the work of other staff, SASI, volunteers and UniSA students for their help.

Facilities

The grant monies received from the State Government in previous years with respect to the State Hockey Centre Second Pitch and Main Pitch Lighting Upgrade have now been acquitted with the final amounts of those funds spent around August and September 2014. As at the end of financial year,

we were in discussions with state government regarding other enhancements needed to maintain and improve the stadium.

Development

SASI Coach Tim White and Hockey SA staff member Jamie Bahnisch went through a process in the first half of this year in reviewing our Pathway Program strategy. We had an energetic meeting to review this in July with contributors including Hockey Australia High Performance Director Trish Heberle, former Olympian Sandy Pisani OAM, dual gold medallist Juliet Haslam OAM and 2012 Olympian Melody Cooper. This strategy was developed around the Hockey Australia 'FTEM' Model and approved by the Board in August. Hugh Purvis has done an excellent job putting the new programs in place at the end of 2014 including coaching academies in five regions and the metropolitan area. We plan to expand this in 2015 and use the program to further develop our younger athletes.

In addition to this player development, we saw over 150 people reach accreditation in a coaching or officiating qualification which is the highest number for this in a long time! We also had over 600 young people aged from 5-12 who tried hockey for the first time.

I am proud of these achievements and the great work put in by our staff and volunteers alike. We need to repeat numbers like this next year and the year after and the year after, and in so doing, will be able to make a significant change and growth in numbers of participants in this state.

Metropolitan Competition

Running the metropolitan competition remains a significant part of our role and workload and we continue to look for ways to improve it. We ran three surveys at the end of the season focused on the main competition, women's masters and men's masters which are being used to inform our 2015 competition.

150

Coaching and Officiating accreditations

640

Juniors registered for the first time

25

Kookaburras in Adelaide during AHL

We also commenced a series of consultation sessions with junior coordinators in October which have been a way of us listening to more members about what we can do to improve the competition.

Acknowledgements

The Office for Recreation and Sport and Department of Planning, Transport & Infrastructure also contribute a lot as a partner to our organisation both financially and non-financially. Our sponsors and key suppliers also contribute significantly to the sport in this state. Just Hockey have been a great partner over a number of years and we are working to broaden and deepen this relationship. Rising Stars have organised our travel for the past 11 years and continue to be on call to help accommodate our state teams; and Kukri have now spent almost six years supplying our uniforms. Special mention to Royal Wolf and Vale Brewery for their contribution as event partners during the AHL.

I would like to thank the Board for their support through this year, and especially the level of dedication and involvement that Helen Stone contributes as Chair. Most of the work of the sport

throughout this state is undertaken by volunteers and we wouldn't be where we are without that contribution. In particular, I would like to acknowledge Roy Dedman, 2014 Hockey SA Volunteer of the Year and Craig Sinclair, Chair of the Metropolitan Competition Committee for their tireless efforts that have been such great support to me personally and to the sport as a whole. Thanks also to club and association officials – Presidents, Vice Presidents, Treasurers, Secretaries, Junior Coordinators and others.

Looking forward

Since starting in the CEO role, there are a number of changes that we have started to put in to place in the Association. I firmly believe that we have an exciting future as a sport in this state and on the national stage. There are a lot of initiatives that our staff group are working through at the moment that will help to make us more efficient, effective and ultimately more responsive for you our members. We are developing and updating our policies and procedures, investing in new tools and technology, and working to use surveys and forums to engage better with our members.

I am particularly interested in improving our relationships with the regional areas which represent 59% of our participants and two thirds of our juniors, but not enough of our coaches & officials being accredited. I am committed, along with the Board, to holding a Board meeting in a regional area next year and am working towards how we can achieve this.

Andrew Ellis

Chief Executive Officer

Southern Hotshot - Matthew Claxton

+ Finance

Financial Report

Financial Results

● Revenue	\$1,977,052
● Association surplus	\$52,477
● Unrestricted cash	\$320,436

2014 was a good financial result for the Association with a \$52,477 surplus which was the second consecutive year with a surplus over \$50,000. This has served to strengthen and stabilise the financial position of the Association after prior years' losses.

The government grants received in previous years for the new Second Pitch and Main Pitch Lighting Upgrade were fully acquitted in September 2014 and their distorting effect (mainly the cash position) in the financial statements is now at an end. These grants have left us in a much better position as a sport with the first two-pitch facility in the state that has been essential to hosting a number of championships and events through the year. We acknowledge the support of state government that has helped to make this happen.

Perhaps the best turnaround in the financial statements has been the increase in unrestricted cash from \$26,294 to \$320,436 which has been the result of a focus on better timing and collection of invoices. Overall, cash & equivalents were down from \$454,117 to \$361,294 which was driven down by the final spending of the grant funds. Unbilled/uninvoiced revenue has been reduced by \$152k over last year and the Unpaid/debtors

is down by \$110k over the same period.

Financial performance of the Pines has improved from a \$59,801 loss last year to a \$34,734 loss this year even whilst there was

View over Pitch 1 at the State Hockey Centre

a significant increase in the spending on minor capital works and preventative maintenance on the site. We are budgeting to improve on this again in the 2015 year as part of an overall strategy to improve the utilisation and financial performance of the stadium.

In terms of income, there was a reduction in sponsorship income which is a focus for us to improve in 2015 as a way of addressing the costs of the game that are passed on to players. Increases

in state team levies were offset by increased costs in this area.

Grant income was up primarily due to the SASI Pathway Coach grant. Bar and canteen revenue were up substantially which was driven by a strong turnover during the AHL and U13 Boys National Championships which gave us almost a third of the year's bar & canteen income in just six days.

In terms of expenses, salaries were up which was driven by a number of factors including the SASI Pathway Coach role (offset

by grant funds), reduced gaps between staffing positions when previous employees left, a brief overlap of CEOs and payout of annual leave entitlement. Transaction costs are a new item in the financial report and this represents the IMG transaction costs. Telecommunications costs are down due to the investment made in installing a VOIP phone system part way through the year. Bar & catering operations expenses were higher due to increased volumes through this area. Stadium operations expenditure was higher driven by increases in utility costs (primarily water), preventative maintenance and gardening.

Overall, the Directors are pleased to see the Association achieving consecutive years of strong surpluses and also the increase in unrestricted cash. The focus of our CEO/s on the finances in recent years with the support of the Finance Committee under Sarah McEachern's leadership has helped to rebuild what had previously been a weak position.

+SA Hockey

State Teams & Officials Report

Hockey SA was represented at all National Championships in 2014 resulting in a number of State representatives being selected into national squads. Hard work and dedication resulted in three of Hockey SA's athletes competing at the 2014 FIH Hockey World Cup (Georgie Parker, Karri McMahon and Jane Claxton). As well as these athletes who were selected in the Hockeyroo's team, Hockey SA had athletes represent Australia in Masters, Country and Development Squads.

Highlights of the 2014 State program included our U13 Boys and U21 Women who both finished 4th. A special congratulations to Shannan Herbert who won player of the tournament at the U15 Girl's National Championships in Hobart.

Thank you to all coaches, support staff and selectors who volunteered their time to ensure AHL and state team programs were run professionally and in good nature. A special thank you to physiotherapist Tim Bass who has provided long term support to Hockey SA.

Rosie Stern OM

Hockey SA was successful in nominating our top tournament official, Rosie Stern, for an Order of Merit. An award, granted by the South Australian Olympic Council, is given to a recipient who has achieved 'remarkable merit in the sporting world'. Rosie's achievements are a bench mark in hockey, with roles of Tournament Director at the 2009 Junior World Cup, Technical Official at the 2010 Commonwealth Games, 2012 Olympic Qualifying Tournaments, 2013 World League Finals Round in Tucumán, Argentina. and most recently at the 2014 World Cup in the Netherlands.

Congratulations Rosie

During 2014 South Australian officials were invited to the following National and International Championships:

Gary Belder

- Umpire Manager, Men's Australian Hockey League

Stewart Berry

- Technical Director, National U13 Boys Championships

Matthew Claxton

- Umpire, National U21 Men's Championships

Roy Dedman

- Umpire Manager, National U13 Boys Championships

Keagan English

- Umpire, National U18 Men's Championships

Jordan Glover

- Umpire, National U15 Men's Championships

Nathan Jennings

- Umpire, National U15 & U18 Men's Indoor Championships (including umpire of Men's U15 Final)
- Umpire, National U18 Men's Championships

Bruce Murrie

- Umpire Manager, National U13 Boys Championships

Tim Pullman

- Umpire, Men's Australian Hockey League
- Umpire, World Cup - Men, The Netherlands

Levi Stephen

- Umpire, Men's Australian Hockey League

Rosie Stern OM

- Technical Director, Women's Australian Hockey League
- Technical Officer, World Cup - Men, The Netherlands

Adam Webster

- Assistant Technical Director, Men's Australian Hockey League

State Teams Report

The 2014 SASI year actually began in December 2013 when Cameron Joyce and Ed Chittleborough represented Australia at the Junior World Cup in India. 'The Burras' finished fifth at the World Cup, and we are very proud of our two SASI representatives.

SASI athletes began training in January 2014, after the athletes had a well-deserved break over Christmas. The year began in earnest with the first quarterly block being a very busy period for the athletes. A normal week for SASI athletes during this period looked like this:

Monday	Pitch Session	
Tuesday	Pilates	Gym session
Wednesday	Pitch Session	
Thursday	Gym Session	Pitch Session
Friday	Pitch Session	
Saturday	Gym Session	

On top of these 8 sessions, the athletes also combine club teams and junior state team trainings.

As you can see from the above, life of a SASI athlete is a very busy one. They also need to combine studies, work, family, social life and down time. SASI athletes understand that if they want to play at the top level they need to make sacrifices with no guarantees of success.

The 2014 Program had a targeted competitive element along with an emphasis on improving ball handling and increasing skill level. Throughout the year the athletes were involved in full group sessions, individual sessions, strength and conditioning, Pilates, speed and agility, along with drag flicking and goalkeeper specific training. SASI Athlete highlights in 2014 were:

- Cameron Joyce, Ed Chittleborough – Junior World Cup
- Tom Wickham - National Development squad
- Georgie Parker, Karri McMahon, Jane Claxton – Senior Hockeyroos Squad; World Cup silver medallists; and Commonwealth gold medallists
- Gabi Nance, Emily Grist - National U23 Squad

- Miki Spano – Australian U16 Schoolgirls tour of South Africa
- Mimi Blanks – Selected in the Australian U16 Schoolgirls team to tour Europe in May, 2015
- Gabi Nance – Australia A, Tour of Asia
- Leah Welstead, Miki Spano, Euleena MacLachlan – December

National Junior Women's Head Coach - Craig Victory

2013 Futures Camp

- Dalton Casey – February 2014 Futures Camp

It would be remiss of me not to make special mention of 'SASI graduates' George Parker, Karri McMahon and Jane Claxton who continue to make us extremely proud. What a year 2014 was for them. To make the World Cup final against host nation the Netherlands was an amazing performance, and then to back that up with a Commonwealth Games Gold Medal just 2 months

later capped off an amazing year for our three Perth based SASI Hockeyroos.

Away from individual athlete achievements, there were also notable events that occurred in the past 12 months. These included:

and athletes at the National Women's Forwards & Goalkeeper Camp

- SASI and Hockey SA hosted the National Women's Forwards & Goalkeeper Camp in Adelaide in March 2014. 25 Athletes from all States and Territories, joined by coaches from all over Australia, including Hockey Australia coaches Mark Hickman and Craig Victory, attended the 3 day camp.
- In July, Hockey SA and SASI hosted a Drag Flick camp, under the leadership of former NSWIS coach Larry McIntosh. Along with Dragflick sessions with SASI athletes. Larry also

presented a workshop to interested coaches and ran a 'Come and Try' drag flick afternoon with over 50 developing athletes.

- In June 2014, I attended the World Cup as part of Hockey Australia's World Cup coach study tour.
- Jamie Bahnsich, SASI Scholarship coach, was part of the Performance Analysis team working with the Kookaburras at the World Cup.
- Myself as SASI Head Coach along with scholarship coach Jamie Bahnsich, presented a World Cup review to SA coaches and interested parties.

A huge thankyou must go to the following people who made a significant contribution to the SASI program in 2014:

Volunteer coaches

- Darren Neimke
- Steve Button
- Mark Dedman

SASI Staff

- Kev McCormack & Russell D'Costa (Program managers)
- Luke Knappstein (Strength and Conditioning)
- Annette Eastwood & Jamie Stanley (Physiology)
- Emma Matthey (Sports Psychology)
- Tim Bass & Aaron Beck (Physiotherapy)
- Tim Rawlins & Jenny Roach (Performance Analysis)

Thank you for your continued support, your efforts are greatly appreciated.

In closing, I would like to mention the importance of the collaborative partnership between SASI & Hockey SA. It is very much that, a partnership. One that cannot be understated. I look forward to the continued relationship with Hockey SA as we prepare our SA hockey athletes for success today, and in the years to come.

Junior Development Report

2014 Junior Development Pathways

In 2014 Hockey SA reviewed development pathway's for talented junior athletes and coaches. As a part of the review, Hockey SA has now restructured it's Development Programs to a two tiered approach. The Hockey SA Pathway Program provides club, regional, and state identified athletes with training opportunities to assist in their individual development. The overall aim of the program is to develop the talent pool of athletes in SA, whilst developing identified state athletes into potential SASI and international quality athletes.

In October-December 2014 Hockey SA trialled it's first block of the newly structured Pathway Program. 150 athletes aged 12-18 participated in metropolitan programs, whilst 79 athletes participated in regional academies.

Thank you to all coaching staff who assisted in delivering this program, with a special thanks to Mark Dedman who assisted Hugh Purvis (Interim Athlete & Coach Development Manager) in his role as Program Co-ordinator.

2014 July School Holidays Clinics

In the 2014 July School Holidays Hockey SA hosted a 'Development Week' at the State Hockey Centre. Each day Hockey SA hosted a 'Targeted Area Clinic', covering skills including; goalkeeping, goal scoring, tackling & defending and a girl's only clinic.

The Hockey SA 'Development Week' was a huge success with over 131 registrations across the four days of clinics. Each clinic lasted two weeks and had guest coaches including Melody Cooper, Edward Chittleborough, Brad Sofia, Jack Bannister & Harry Gills.

Thank you to all club members, coaches and officials for their assistance in the development of Hockey across South Australia throughout 2014.

150

79

Athletes in Regional program

Hotshots and U13 Boys combined Training session

On the morning of the first rest day of the tournament, the U13 boys were up bright and early, eager to get out to the State Hockey Centre for a clinic with some of their Hotshots heroes.

Hotshots Co-coaches Melody Cooper and Mark Victory were kind enough to give up an hour of the team's training time for their players to run through some skill testing drills. The Hotshots players were under the pump with their younger adversaries putting in every ounce of effort to try to out skill and outrun them, much to the delight of the players and their parents alike.

Hockey Zone filmed the Under 13 Boys and Hotshots combined session with Hockey SA's

Hugh Purvis interviewing the athletes after skill competitions.

After training the athletes were privileged to a session with Mark Knowles who gave a fantastic insight into the preparation and motivation needed to reach the senior National

side. The day finished with a group photo with the Kookaburras captain and the World Cup.

In Brisbane the Under 13 girls undertook the same session with the Southern Suns forming a connection between seniors and juniors and offering valuable mentorship along the way.

The pairing of the AHL and the U13 National Championships offers a unique chance for young state players to get up close with the state's top senior athletes and show that with hard work and following player pathways, they are only a few short years away from achieving great things on the same team.

+Game

Game Development Report

Coach Development

In 2014 Hockey SA Game Development staff increased the number of HockeyEd qualified and educated coaches across the state.

As a part of this Hockey SA offered clubs the opportunity to host education sessions at club venues. The overall uptake of this program was outstanding, with a number of Premier League clubs, Regional Associations and Metropolitan clubs taking up this offer. As a result Hockey SA accredited 52 coaches in 2014, with many more partaking in the education sessions.

Officials Development

Umpire education was also carried out across the state, with Hockey SA hosting a Level 2 accreditation course at the Pre-Season cup as well as various Level 1 courses at clubs, associations and other major tournaments at the State Hockey Centre. Hockey SA approved assessors including Roy Dedman, Gary Belder, Colin Shearing and Bruce Murrie travelled state wide to assess umpires. As a result Hockey SA saw a large improvement in the number of accredited and educated umpires with 111 Officials accredited in 2014. This included:

- 53 Community umpires
- 46 Level 1 umpires
- 7 Level 2 umpires

This was a fantastic achievement but more work is needed to strengthen the number and depth of our umpire ranks, something which Hockey SA will be working on in 2015.

640

Juniors registered for the
first time

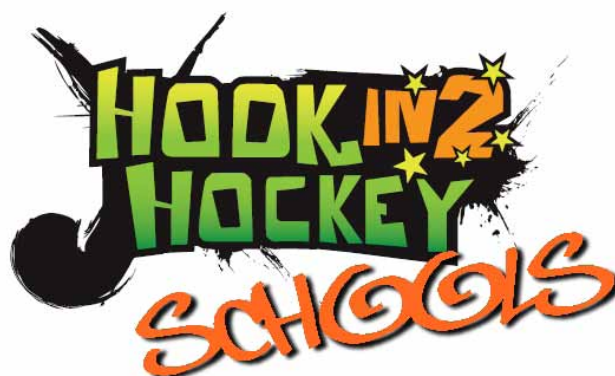

Participation

Hockey SA continued its 'Hook In2 Hockey' schools program in 2014 and delivered hockey programs to over 30 schools across South Australia. The school clinics were delivered in outer city areas including the Barossa Valley, Yorke Peninsula, Fleurieu Peninsula and the Adelaide Hills.

As well as delivering the 'Hook In2 Hockey' schools program, Hockey SA developed a pilot program with the Active After School Communities (AASC) program. Hockey SA worked in conjunction with the AASC, Enfield Hockey Club and Adelaide Hills Hockey Club to deliver the program in the Adelaide Hills and Enfield Hockey Club catchment areas. The program consisted of a seven week after schools program, with an additional session

held at each club. The overall program was a learning process for all involved and exposed over 50 students to a seven week hockey program.

Hockey SA's recruitment programs saw over 640 juniors (aged 5-12) register for their first season of hockey at a club level.

Southern Hotshots and Under 9's after the exhibition game for the 2014 Premier League Grand Finals

Metropolitan Competitions Committee Report

2014 has been a stimulating and productive year for the Metropolitan Competition Committee, with an expansion of the knowledge base of the group to include direct experience in Masters, Juniors and Panel Umpiring.

2014 has been a stimulating and productive year for the Metropolitan Competition Committee (MCC) as we continued our work reviewing, developing and presenting policy to the Board for implementation by Hockey SA.

It has also been a period of expansion for the group, with membership now consisting of Craig Sinclair (Chair), Jim Hughes, Paul Bond and Ally Newcombe as ongoing members, joined by Volker and Sarah Stroeher and Mark Ucinck. Helen Stone (Board Chair), Andrew Ellis (CEO) and Penny Redmond (Operations and Facilities Manager) also attend meetings.

The new members really help to broaden the knowledge base of the group, with direct experience of Masters, Juniors and Panel Umpiring.

Perhaps the most challenging aspect of the committee's activities this year was the culmination of a two year process looking at options for the future of the Premier League Competition. A final paper was presented to the board in late 2014 which is the basis of the 2016 competition format.

A particularly exciting development this year was the opportunity to work with incoming CEO Andrew Ellis to develop and implement a series of member surveys, which had a strong response from members. The information received has helped shape the format of competitions for the coming years.

As usual, the MCC spent the second half of the year reviewing the competition rules, looking to close

loopholes, solve inconsistencies and effectively 'tidy up' the rules after their major overhaul in 2013.

The coming years, will be exciting times for the sport in the metropolitan area, with the introduction of 'PL Friday's', double headers at the State Hockey Centre with some great initiatives such as commentary and themed evenings, and the introduction of the new Premier League Reserve in 2016.

Craig Sinclair

Chair, Metropolitan Competitions Committee

Port Adelaide District & Burnside line up for the Premier League Women's Grand Final

Metro Clubs

Metropolitan Club Reports

Adelaide Hockey Club

Adelaide Hockey Club (AHC) is one of the largest metropolitan clubs and had a successful year in 2014. We continue to be a large family club with AHC fielding 29 teams in 2014, with an estimated 380 - 400 members.

The club heavily relies on volunteers to support the various events and duties that evolve during the hockey season. Due to these volunteers, AHC offered a welcoming and friendly atmosphere with members attending fundraising events such as 'Casino Royale' and the annual quiz night. This really saw the AHC community come together in high spirits and enjoy themselves off the field.

The AHC would like to congratulate all teams, especially those that made it to the finals last season and in particular our 2014 premiers:

- Metro 1 Men
- Metro Grass Women
- Junior boys - U15A, U13A, U13B
- Junior girls - U15A.

A notable mention must go to our Premier League men who played an outstanding Grand Final match, however lost out to penalty flicks. It was also encouraging for the club to see many juniors and seniors achieve individual success through state and state country representation; which included players, coaches and officials. In particular we would like to congratulate both of our senior coaches - Premier League Men's coach Melody Cooper, who was given the opportunity to coach the Southern Hotshots team during the AHL which was hosted on home soil. And Premier League Womens coach Ian Jennings who was the performance analyst for the Southern Suns. We would also like to congratulate and thank all of our coaches and club members that helped encourage and support Adelaide players into state and development squads.

With new faces on the AHC committee including myself as the President, we are excited about the future and the season to come and welcome new and returning players to season 2015.

Anne Collins
President, AHC

Adelaide Premier League Men's team

Metro Clubs

continued

Port Adelaide District Hockey Club

2014 was the 80th anniversary and another successful year for the Port Adelaide District Hockey Club (PADHC) and was duly recognised by Hockey SA as the recipient of the 2014 Club of the Year.

Fielding 13 senior teams, 2 masters teams and 10 junior teams, PADHC capacity to field teams in almost every division is extremely important to cater for players of all standards and capability.

10 of our senior teams contested finals yielding 4 premierships in PLW, M2M, M3M and M4M. Whilst a number of our junior teams enjoyed the finals series, none were able to win a premiership.

We continued to put effort and resources into developing and increasing junior participation in hockey by offering clinics during and before the season, with one significant session filmed for a segment on the popular children's television program *Totally Wild*.

The clinics have seen approximately a dozen children take up hockey. If we can continue to grow along this trajectory and retain these new players long term, the club will continue to grow from strength to strength.

We are proud to reflect on the 20 premierships that our "one" men have won and our "one" ladies who added the 2014 season to their 14th premiership tally and the third time they have notched up a 'threepeat'. Our ladies "twos" fell short at the final this year but it is important to acknowledge that this was their seventh consecutive finals appearance losing only two in that time.

It is also important to acknowledge that our mens lower grade teams continue to excel in

their competitions with most teams making a finals appearance and a number of premierships each year.

We believe that our hockey programs are some of the best in the state and we work hard to maintain that position through a comprehensive junior program and a sophisticated senior program. The strength and playing skills of our players was reflected in the recent appointment of our Premier League coach, Mark Victory, as Co coach of the Southern Hotshots.

Our hockey programs are supported by a fantastic club facility and member culture. Whilst this facility is aging the playing surface is state of the art. We are working closely with the Port Adelaide Enfield Council and the Department of Recreation and Sport on maintaining this facility as the best club facility in the state.

We acknowledge the support of the Honourable Dr Susan Close MP, the Honourable Stephen Mulligan and Mayor Gary Johanson.

Season 2015 will see the Club leveraging off its strengths and continuing to develop junior programs to enhance both participation and skills development. Our elite players will continue to enjoy progressive coaching programs. Equally we will ensure to deliver a great value proposition for our all our

Port Adelaide District Premier League Women's team

members in an extremely competitive environment.

St. Peter's Old Collegians' Hockey Club

The St. Peter's Old Collegians' Hockey Club (SPOC) experienced great achievements on and off the field during the 2014 season.

Following the introduction of female teams to the club in 2008, the year was capitalised by the club's first female premiership. In an impressive win for our Metro 1 Women who went one better than their runner-up performance last year, to take home the 2014 premiership. While our Metro 3 Women also had a successful season, being minor premiers, they were eliminated in the Preliminary Final.

For the Metro 5 Women, the beginning of the 2014 season saw many new players join the club who had never played hockey before. These players showed strong development during the season, which is a testament to their teammates and coach.

Paul Anderson

President, PADHC

Their spirited approach to the game made the season highly enjoyable for those who participated, with the team coming together strongly only to narrowly miss out on a finals berth.

Our men's sides in the Metro 2 and Metro 4 competitions did not enjoy the same success as our female teams. Although never looking like making finals, the boys never lost their determination and remained competitive throughout the season, always providing support and encouragement to our female teams.

Priding ourselves on being a social club, all players enjoyed relaxing off the field and getting to know players throughout the club. One of the year's highlights saw players and friends dress up in costumes beginning with the letter 'S'. Following the successful year on the field, all members joined in the celebrations at the club's annual Presentation Night.

Alexandra Newcombe

President, SPOC

St Peters Old Collegians' Metro 1 Women's team

+Country

Regional Associations Report

Barossa Valley Hockey Association

This year was an exciting one for the Barossa Valley Hockey Association (BVHA) with the beginning of a new era. No doubt the highlight of the year was the completion of construction of the artificial hockey surface in March. All the relevant people and organisations involved in its planning and construction were thanked at the official opening in April. Courtney Ribbons was the driving force behind the project investing a relentless amount of time and effort for the benefit of hockey in the Barossa. The awarding of the Hockey SA Outstanding Service to Hockey SA Award and Life Membership of the BVHA goes just a small way to acknowledging her service. Additions to the facility have been possible thanks to the very generous financial support of three anonymous donors and valuable volunteer time. This has allowed the BVHA to construct a shelter shed and lay pavers. There has been nothing but positive feedback on the pitch by players, with the improvement in the standard of play obvious. Playing under lights, playing on Friday nights and summer hockey have been new experiences for the members. I hope it translates to an increase in player numbers. I'm pleased to report that there hasn't been a single official complaint to the BVHA this season and no need for any judiciary meetings. The committee

members have expressed their pleasure in being able to devote their time to focussing on hockey matters. I believe this has led to an increase in our productivity as volunteers. That isn't to say that we agreed on everything, but the positive atmosphere at all meetings allowed for honest and open discussion and eventual consensus.

This year the Association formed an umpiring committee, rather than just appointing a coordinator. This group set themselves goals with timelines for achievement and also set criteria for payment of umpires. The success of this model was even better than expected. There were enough people willing to join the umpire group to enable almost all games to have panel umpires. The umpire forums were well attended. Clubs appreciated not having to force their players to umpire, and the umpires commented on how much better it was to umpire with someone else from the panel. A number of umpires achieved official accreditations. There is still work to do, but the foundations that have been laid should ensure good outcomes. I'm pleased to report that the BVHA received the Regional Association of the Year Award at the annual Hockey SA Awards night. This reflects the hard work of the volunteers on the committees, not only at Association level but also at club level. I'd particularly like to thank the BVHA

Barossa Council Mayor Brian Hurn, Barossa Councillor Scotty Milne, BVHA President and Life Member Sue Stephen, retired MP Ivan Venning, Courtney Ribbons and Life Member David Smith

Executive Committee for their time in attending meetings and the work they did within their portfolios this year. Your volunteer time is much appreciated. The BVHA has adopted a new Constitution which incorporates a new management structure moving forward. This should open up opportunities for more people to volunteer by allowing them to commit to just their area of interest. Hopefully the optimism of this past season continues into the next.

Sue Stephen
President, BVHA

Tatiara Hockey Association

Tatiara Hockey Association had a very successful season 2014. This was due to a hard working committee, the cooperation of all the clubs and the enjoyment of a full day of hockey where we all came together to play good competitive hockey. The competition was played over five venues with Rookies, Juniors and Seniors all at one venue each week. This makes for a very social and cohesive Association.

We had 27 Rookies training each week which is a great achievement in the Tatiara district. Our Junior competition which is played on grass had 5 teams consisting of 77 players and was fiercely competitive. To enhance their skill level we played 2 rounds in Edenhope to take advantage of the turf. A strong

contingent of Juniors represented us in SAPSASA, U13's, Zone U15's and U18's. Our level of success and our emerging talent is evident in this representation. Our U15 girls were State Champions of which three were from Tatiara. We had a representative in the SA Schools U12 State team.

Seniors consisted of five Women's and four Men's teams. It is a struggle to maintain numbers in Seniors as our young people tend to leave the district, go to Adelaide for school or start Uni. We do rely heavily on Juniors to complete the teams. The experience of the Senior players and their knowledge has been a valuable tool for these young players and it gives our Seniors a competition locally.

Distance is always an enemy of our district as we strive to further the skill levels of our young hopefuls. We ran training programmes in Bordertown on a turf tennis court and in Edenhope in conjunction with Naracoorte Hockey Association and we are confident this reflected in results when they competed in Adelaide.

A programme ran after school in Keith also proved a valuable tool in recruitment thanks to Clarry Martin and it is this sort of programme that keeps Hockey in the forefront of sport in country districts. It is the little details that add up to a very successful season and Tatiara can boast that with confidence.

Janette Evans
President, THA

Country

continued

Whyalla Hockey Association

It's been a big and highly satisfying year for the Wyalla Hockey Association (WHA) as we continue to move forward in a positive direction. Whyalla Hockey is in an excellent position at the moment with the ability to take advantage of the planning put in place over the last year by the WHA Board.

As the Whyalla Hockey and Sporting Community Club, we have continued to grow in membership. In 2014 we have been able to attract two new clubs to our facility and now have over 1000 members' association with our facility.

The Board has been active in many areas this year, with the main goal of bringing the practices of the Association up to current standards and to increase the usage of the facility.

The board's strategic plan is reviewed to align the association resources and deliver a sustainable organisation under the destination of "By 2016 we will be the Premier Hockey, Sporting & Community Organisation in country SA". The Strategic plan is focussed on delivering strategic initiatives covering all aspects of our organisation, encompassing Finance, Hockey, Grounds and Sporting Facilities, Community Facilities, Growth and Capability.

In recent years the WHA has also experienced an increase in the number of people playing hockey. The total Hockey Playing membership has risen by 22% over the past 3 years. The two main reasons for the growth of hockey in Whyalla has been our turf replacement project which was achieved with the support of the Office for Recreation and Sport Grant in 2012/13 and the partnership we now have with four major businesses, helping to bring activity and sport to children in our region. At a glance the WHA has won the following competitions: U13 Boys State championships; Div 1 Boys School team (SAPSASA); U13 Boys Regional

Championships and U15 Girls Regional Championships, WHA can boast 14 SA State Representatives in 2014.

Our Summer Bowls and Hockey competitions have continued to grow over the past two years. Our successful sponsorship packages has seen our total number of sponsors grow to over 45 national, state and local business. We were a finalist in this year's South Australian regional awards.

In 2015 we plan to submit a grant in the next round of the state government Recreation and Sport Facilities Program to build a new club room and installation of 2nd pitch at the Whyalla Hockey & Sporting Community Club facility.

This year the Board committed funds in its budget to some much needed projects, they being, electronic scoreboard, turf lighting upgrade, Jamie Dwyer visit & POS system which will be of a great benefit to the facilities.

In closing I would like to extend a very big thank you to our sub committees and volunteers your commitment to WHA is fantastic. Without you WHA would not have been able to achieve the results it has over the past 12 months.

Tony Appleyard
President, WHA

Whyalla Hockey Association new artificial pitch

Yorke Peninsula Hockey Association

Yet another successful season has concluded for the YPHA. This season has been my first as President and I would like to say a huge thank you to Leanne Edwards for all her work and guidance as Secretary. This is a huge job but one that can be managed well, as Leanne has proven.

I would also like to say a big thank you to the other Members of the Executive Committee for carrying out their roles very capably. We had a few issues to deal with throughout the season but I believe we handled them consistently and fairly.

Thank you must also be said to our Club delegates who came to our regular Delegates Meetings throughout the season. Without the input of our Delegates, the Association would fail to exist.

Also to our Junior Committee, thank you. The Juniors had a great season with several carnival teams competing at various competitions and all having great fun.

Congratulations and thank you to those Clubs involved in hosting finals this season, Arthurton, Kadina, and Maitland. These were

all well run days and special thanks to Kadina for hosting a great Vote Count as well.

Congratulations to the Premiership teams this year:

- Moonta Senior Colts
- Kadina Women
- Lions Men

Also special congratulations to Ian Koch on becoming our Associations newest Life Member on Grand Final day, a very well deserved accolade.

Congratulations also to those within our Association who have been selected into representative teams at South Australian state level. Yorke Peninsula continues to have a proud history of producing many talented 'State Level' players and we look forward to this continuing in the future.

Ben Rowntree
YPHA President

+Masters

Masters Mens & Womens Reports

Mens Masters Touring Team Committee

The 2014 Mens Masters Touring Team Committee (MMTTC) met monthly. Neil(Stan) Matthews continued as Chairperson, Ric Roberts was the Delegate to AMHC until the Annual General Meeting held at the Championships in Perth in October. Peter Schembri has taken over this role and we thank Ric for his many hours given to this position over many years. We also thank Jan Ellis and Brian Roberts and those helpers who support the fundraising to assist the players who represent their State teams are grateful to Jan's expertise with ensuring uniforms and numbers are correct each year.

The results from the 2014 Perth Championships saw both Div 1 Over 50 team and Div 1 Over 55s finish 4th. SA combined with some Tasmanian players to form TASA team for Over 55's. Both the Over 60 team and the Over 65 team finished 7th but as usual this is not indicative of the teams being competitive as some games were lost by only one goal. Most teams had some guest players who were very pleased with their participation and have indicated that they would be happy to support SA in the future as they enjoyed being part of the team and the social aspects. The Trans Tasman Tournament will be held in Melbourne in May 2015.

Neil Matthews
Chairperson, MMTTC

65+ SA Masters Men's team in Perth

Phil Shaw, 50+ SA Masters Men's team in Perth

Vets Club of SA

The Vets Club continued with their promotional trips, this time to Whyalla in March, with the aim to encourage more master players to trial for state teams.

In May, Annie Davies was part of the Australian 45s team which travelled to Fiji for a development and promotional tour. While Jenny Kiel was in the Australian 55s team as co captain and Kris Weir as massage therapist, which toured England for a series of games against England, Wales and Scotland.

Hockey SA disbanded the Women's Masters Committee and undertook all aspects of state team selection and administration. Three teams - 45+, 50+ and 55+, competed in the Australian Championships in Darwin in July. At these championships Jenny

Kiel (55+), Lynne Trustum (55+), Karen McGregor (shadow 55+), Kris Weir (massage therapist) and Janet O'Shea (shadow 50+) were selected to compete in the Trans Tasman Tournament to be held in Melbourne, May 2015.

For the first time in 30 years the Annual Masters Carnival was held at the State Hockey Centre, which meant all games were on turf. Nine teams from around the state participated with North East Hockey Club winning for the first time.

Janet O'Shea

President, Vets Club of SA

Jen Kiel, 55+ SA Women's Masters team competing in Darwin

+2014 Events

Hosted by Hockey SA

Foxtel All-Stars Tim Cahill Academy

The Foxtel All-Stars Tim Cahill Academy was held in Adelaide in December in 2013 at the State Hockey Centre.

Lead by Soccerroo Tim Cahill and Everton FC Academy coach Robbie Anderson, the two day event gave young players the opportunity of a life time as they were trained by some of the best soccer players and coaches, while having fun and follow their football ambitions at the same time.

100 children between the ages of 6 and 11 were chosen from a contest to come along and participate in various training drills and games.

Along with Cahill and Anderson, a team of hand-picked coaches lead participants over the two days.

Cahill who currently plays in the Major League Soccer competition in the USA for the New York Red Bulls is an advocate for grass root sports.

Tim Cahill was impressed with the layout of the State Hockey Centre and was presented with a Hockey SA shirt.

Tim Cahill teaching youngsters at the Foxtel All-Stars Academy

Just Hockey Premier League Pre-season Cup

The 2014 Just Hockey Premier League Pre-season Cup held at the State Hockey Centre over the weekend was a great success with clubs showing tremendous spirit and support.

The opportunity to have all nine Premier League clubs play at the State Hockey Centre on one day was an historic first, with the crowd treated to a new concept in the games rules. The result was fast and exciting matches from the onslaught as each team fought to get their points on the score board first.

Thank you to our major sponsor Just Hockey and to all players who supported our umpires as they undertook the Level 2 HockeyEd Accreditation Course and were assessed during matches. It was great to see many new umpiring faces supported and mentored by our senior umpires who providing valuable coaching and feedback.

Congratulations to Burnside Women and Seacliff Men on winning their respective competitions.

2014 Under 16 Boys and Girls Hockey Championships

Hockey SA hosted the National Secondary School Hockey Championships in August which was conducted over six days across both pitches.

Western Australia claimed the Boys title while Queensland took home the Girls crown.

Three South Australian athletes were selected in the Australian U16 School Sport teams - Lachlan Busiko, Cooper Powardy and Mimi Blanks.

AHL Men

& Under 13 Boys National Championships

The Men's AHL and U13 Boys Championship were held in Adelaide at the State Hockey Centre from Saturday 4 to Saturday 11 October 2014. The scale of the tournament involved hosting 8 AHL Men's teams and 12 U13 Boy's teams. Matches ran on Pitch 1 all day and in to the evening, and on Pitch 2 all day on six of eight days with two "rest" days.

This was the first time since hosting rounds in 2005 that SA has hosted the AHL men, and we were fortunate to have 25 of the 30 current Kookaburras here, including 24 of these who played in the Championships.

In addition to the players, Hockey SA arranged for the Men's Hockey World Cup to be on display during the Championships for spectators to get up close and have a #worldcupselfie.

Kookaburras coach Graham Reid joining in on the action with Hockey SA's Hugh Purvis.

One of our challenges in preparing for the Championships was with getting the State Hockey Centre

infrastructure up to spec for the event. A number of mini-projects were completed around the site including replacing & increasing the height of goal nets, installing shelters at Pitch 2, repairing the speaker system, wireless internet to both tech bench areas and increasing the number of chairs to the upstairs function area. All of these additions will help to provide further benefits to our players and Members with future championships and metro comp games on an ongoing basis.

In addition, we put temporary overlay infrastructure in to place to provide the facilities needed for the Championships. This included additional toilets & showers, changerooms, scaffolding

for the video tower, the Vale Ale tent and signage on loan from Events SA.

Over 6,000 people attended the championships while Hockey SA contracted Hockey Zone to live stream all of the AHL men's games. The matches that were streamed over the web received around 100,000 views.

In addition, we received good media coverage locally with three articles in the Sunday Mail/Advertiser and Hugh Purvis had five live interviews on 5AA and ABC Grandstand.

+ Awards Night

Hosted by Hockey SA

Ben Hook again hosted the Hockey SA Awards Night at the Stamford Plaza to celebrated the best of hockey in South Australia. Awards were presented to regional associations, clubs, and volunteers; as well as to players demonstrating outstanding efforts on the hockey pitch.

The Hockey SA Premier League Amadio Wines Best & Fairest count was a nail biting affair for the men, with the lead changing three times in the last four rounds. Burnside's Matthew Claxton, Seacliff's Glyn Tamlin and Zulu Will Telfer each led a round

before Matthew Claxton edged out the would be B & F three peat by Glyn Tamlin by 2 votes.

The women's count was called at Round 23 with Kendra Selvanderan finally claiming the prestigious award this year after it was snatched from her in 2013 by Lucy Talbot, in the final round.

Thank you to all who supported the event and to our sponsors Amadio Wine, McLaren Vale Brewing Company and Just Hockey.

+ Life Member

2014 Inductee Tony Appleyard

Building many friendships throughout his thirty years as a player and coach for the region, Tony is also the current Junior Zone Coordinator for Country West (since 2009) and was a junior South Australian state selector from 2005 – 2013. He has assisted many others, particularly juniors and was humbled to receive such an honour as a Hockey SA Life Membership. Tony simply loves doing what he can for the sport and was gratified to get recognition from his peers. In receiving his Hockey SA Life Membership Tony thanked the support of his wife, three children and all the volunteers who also give their time freely to the sport.

Well done Tony. The sport is richer for your involvement.

Tony Appleyard, President of the Whyalla Hockey Association (WHA), received Life Membership from Hockey SA in 2014 in recognition of his long and distinguished service to hockey as a coach, state selector and catalyst for hockey development in regional Whyalla.

Tony first started playing hockey at 11 years of age for Nicholson Avenue Primary School under the guidance of the late Peter Cibich; a man who Tony learnt much of his current drive and dedication to coaching from. Along with his father who was the Treasurer of the Whyalla Men's Association, Tony attributes his former coach and WHA President Peter Cibich as a key mentor who encouraged the principle that coaching juniors should be the most important concern for a club to achieve success.

In 2012 the WHA, under the direction of Tony, was successful in receiving a grant for a facilities upgrade. Tony managed the turf resurfacing project during the summer of 2012/2013. He is currently liaising with others sports clubs to utilise the hockey complex to share the facilities. So far he has succeeded in bringing thirteen community clubs into the complex during the past year. He is now writing a grant proposal to upgrade the clubrooms and facilitate the growing number of clubs which will call the complex home.

Hockey SA Chair Helen Stone with Tony Appleyard

+ In Memoriam

Life Member Bruce Bowley OAM

Bruce Bowley's contribution to both men's and women's hockey in South Australia was immeasurable. He was the co-founder, a senior player and coach of Burnside Hockey Club; an outstanding state representative for SA for six years; and also a Sheffield Shield state cricketer. He even met Sir Donald Bradman at the age of eight.

Bruce was the former President of the South Australian Hockey Association following Gerry Phillips and a Life Member and Patron of Hockey SA.

We offer our thanks for his great involvement with our sport and send our condolences to his wife Betty, who is also a Life Member of Hockey SA and former President of the South Australian Women's Hockey Association; and children Bev Shearer and Ian Bowley.

Our thoughts are with his extended family at Burnside Hockey Club also, he will be dearly missed in the South Australian hockey community.

Bruce Bowley OAM (1922 -2014)

+ Board

Hockey SA Board of Directors

Helen Stone B.Pharm, B.Sc.

Joined the Board 2008; Chair since 2012.

Skills and experience: Clinical Placement Facilitator, School of Pharmacy & Medical Sciences, University of South Australia.

Other directorships and offices (current and recent):

- Hockey SA Women's Masters Committee
- Pharmaceutical Society of Australia - SA Branch Committee
- University of South Australia Sport Advisory Group

Member of Forestville Hockey Club; SA Women's Masters Representative.

Gerry Cawson LLB, GAICD

Joined the Board 2011; Deputy Chair since 2012.

Skills and experience: Over 30 years involvement in playing, coaching, umpiring and administering hockey in England, Hong Kong and Australia. Former Partner of Minter Ellison Lawyers in SA. Currently works for Kain C+C Lawyers and is regarded a leading corporate and commercial lawyers in SA.

Other directorships and offices (current and recent):

- Director, Guide Dogs SA/NT
- Member, Tomorrow's Directors Committee - Australian Institute of Company Directors SA/NT

Member of Adelaide Hills Hockey Club.

Sarah McEachern B.Comm.(Acctg), Member - Institute of Chartered Accountants, Member - Taxation Institute of Australia

Joined the Board 2011.

Skills and experience: Involved in hockey as a player for 17 years and 10 years in an administration capacity. Manager in Business Consulting Services at Edwards Marshall Chartered Accountants.

Other directorships and offices (current and recent):

- Forestville Hockey Club Treasurer

Member of Forestville Hockey Club.

Andrew Ellis B.E.(Mech), MProjMgmt, MBA, MAICD

Joined the Board 2012. Board member to July 2014.

Skills and experience: Substantial executive leadership experience across the engineering construction industry in Australia, the US and the Middle East. Strengths in change management, governance, international business, marketing, risk management, safety and strategic planning.

Other directorships and offices (current and recent):

- Vice Chair, Baptist World Aid Australia
- Director, KBR Holdings and associated companies

Juliet Haslam OAM B.Comm.

Joined the Board 2013.

Skills and experience: Iconic South Australian sporting personality with remarkable international hockey success, community awareness and business acumen. Awarded the Order of Australia Medal in 1997 along with titles such as the 'Best of the Best' and 'South Australia's Best Ever Sports Star Award'. Integral member of the dominant Hockeyroos that reigned supreme from 1993 to the Sydney 2000 Olympics and was a team member of the Hockeyroos – crowned Australian Women's Team of the Century in 2013. An inductee of the SA Sporting Hall of Fame, Juliet represented South Australia as a high performance hockey athlete from a young age and was a SASI athlete at age 17. Business Development Manager with

the Longridge Group and a former State Business and Marketing Manager for Coca-Cola, Juliet has a wealth of sporting contacts.

Other directorships and offices (current and recent):

- Ambassador for Youth Opportunities, the Premiers Reading Challenge, Port Adelaide Football Club and the Roger Rasheed Sporting Foundation; as well as serving as Trustee with the Robert Gerard Athlete Development Fund.
- Previously a Board member of the Sport and Recreational Council of South Australia and the South Australian Sports Institute.

John Haynes Masters, Educational Leadership and Management, Grad Cert, Science Education

Joined the Board 2012.

Skills and experience: Involved in hockey in SA as a player, administrator and coach for 40 years. Spent his entire hockey playing career with Burnside Hockey Club and represented South Australia at all levels from Under 12 to Seniors. Strong involvement with junior development and coached junior boys and girls teams for 27 years. Coached Seacliff Hockey Club's Premier League Men's Team from 1996 – 2000 and involved with the Hotshots as selector, assistant coach and manager. Coached Port Adelaide Metro 1 Men's Team to a Grand Final victory in 2012. Qualified as a teacher, John has worked at St. Peter's College, Cranleigh School in Surrey UK, and is currently Head of Pastoral Care at Trinity College.

Member of Port Adelaide Hockey Club.

Nicole Nott B.AppSc.(OT), Certificate, Applied Ergonomics, Ergonomics

Joined the Board 2013.

Skills and experience: Owner and Managing Director of Sitemed Pty Ltd, a company that provides outsourced medical and emergency response services to mining and natural resources projects, construction, rail, manufacturing and private events. Recognised for her innovation, negotiation and business acumen, with Sitemed earning a prestigious National Telstra Business Award in 2012. Nicole is a Fellow of the Governors Leadership Foundation and the 2013 recipient of a Behind Closed Doors scholarship for entrepreneurship. Nicole has played hockey for nearly 30 years.

Other directorships and offices (current and recent):

- Previous board member of Paramedics Australasia
 - National Councillor and Chair of the Occupational Health Special Interest Group (SA) - Australian Association of Occupational Therapists
 - Advisory committees with WorkCover Corporation, the Motor Accident Commission and the Occupational Therapists Registration Board
- Member of Port Adelaide Hockey Club.

+ Board Committees

Hockey SA

Hockey SA Board members get involved with committees, which report directly to the Board and support the Board in discharging its governance duties through monitoring and reviewing key strategic initiatives and organisational policies and proposing recommendations to the Board.

The **Risk & Special Projects Committee** is chaired by Nicole Nott (Andrew Ellis to July 2014) and is responsible for identifying major organisational risks and putting in place policies and mitigating systems to manage risk. The Special Projects part of this role has included projects such as construction of the Second Pitch and Lighting Upgrade at the State Hockey Centre.

The **Human Resources & Governance Committee** is chaired by John Haynes and is responsible for reviewing the CEO's performance; determining remuneration; identifying and inducting potential new Board members, and providing advice to the Board on its policies and other key governance documents.

The **Metropolitan Competition Committee** is chaired Craig Sinclair and is responsible for overseeing the development and monitoring of all policy, rules and procedures for the operation of the various metropolitan Adelaide Hockey Competitions.

The **Finance Committee** is chaired by Sarah Mc Eachern and is responsible for monitoring financial reporting, budgeting, financial risk management and ensuring a system of internal control is in place.

Annual Report - 31 October 2014

South Australian Hockey Association Incorporated

Officers' report

31 October 2014

The officers present their report, together with the financial statements, on the incorporated association for the year ended 31 October 2014.

Officers

The following persons were officers of the incorporated association during the whole of the financial year and up to the date of this report, unless otherwise stated:

Helen Stone
Gerry Cawson
Sarah McEachern
John Haynes
Nicole Nott
Juliet Haslam OAM
Andrew Ellis (resigned on 4 July 2014)

Objectives

The Objectives of the Association are to:

- (a) participate as a member of Hockey Australia so hockey can be conducted, encouraged, promoted, advanced and administered in South Australia;
- (b) conduct, encourage, promote, advance and administer hockey throughout South Australia;
- (c) ensure the maintenance and enhancement of the Association, Hockey Australia, the Members and hockey, its standards, quality and reputation for the benefit of the Members and hockey;
- (d) at all times promote mutual trust and confidence between the Association, Hockey Australia and the Members in pursuit of these Objectives;
- (e) at all times act on behalf of, and in the interest of, the Members and hockey in South Australia;
- (f) promote the economic and community service success, strength and stability of the Association, the Members and hockey in South Australia;
- (g) affiliate and otherwise liaise with HAL and adopt its rule and policy framework to further these Objectives and hockey;
- (h) use and protect the Intellectual Property;
- (i) apply the property and capacity of the Association towards the fulfilment and achievement of these Objectives;
- (j) strive for Government, commercial and public recognition of the Association as the controlling body for hockey in South Australia;
- (k) abide by, promulgate, enforce and secure uniformity in the application of, the rules of hockey as may be determined from time to time by Hockey Australia or FIH and as may be necessary for the management and control of hockey and related activities in South Australia;
- (l) advance the operations and activities of the Association throughout South Australia;
- (m) further develop hockey into an organised institution and with these Objectives in view, to foster, regulate, organise and manage examinations, competitions, displays and other activities and to issue badges, medallions and certificates and award trophies to successful Members;
- (n) review and/or determine any matters relating to hockey which may arise, or be referred to it, by any Member;
- (o) recognise any penalty imposed by any Member;
- (p) act as arbiter (as required) on all matters pertaining to the conduct of hockey in South Australia, including disciplinary matters;
- (q) pursue such commercial arrangements, including sponsorship and marketing opportunities as are appropriate to further the interests of hockey in South Australia;
- (r) adopt and implement such policies as may be developed by Hockey Australia, including (as relevant and applicable) member protection, anti-doping, health and safety, junior sport, infectious diseases and such other matters as may arise as issues to be addressed in hockey;
- (s) represent the interests of its Members and of hockey generally in any appropriate forum in South Australia;
- (t) have regard to the public interest in its operations;
- (u) do all that is reasonably necessary to enable these Objectives to be achieved and enable Members to receive the benefits which these Objectives are intended to achieve;
- (v) promote the health and safety of Members and all other participants in hockey in South Australia;
- (w) seek and obtain improved facilities for the enjoyment of hockey in South Australia; and
- (x) undertake and or do all such things or activities which are necessary, incidental or conducive to the advancement of these Objectives.

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2014

Note 1. Significant accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Any significant impact on the accounting policies of the incorporated association from the adoption of these Accounting Standards and Interpretations are disclosed below. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the incorporated association.

Financial dependency

The Association continues to rely on grant funding from the Office for Recreation and Sport to assist with its core business activities. Should the Association no longer be entitled to receive grant funding from the Office for Recreation and Sport, there will be uncertainty as to whether the Association will be able to continue as a going concern. The financial statements must be read in the context of this dependency.

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB'), South Australian legislation the Associations Incorporation Act 1985 and associated regulations, as appropriate for not-for-profit oriented entities.

Historical cost convention

The financial statements have been prepared under the historical cost convention, except for, where applicable, the revaluation of available-for-sale financial assets, financial assets and liabilities at fair value through profit or loss, investment properties, certain classes of property, plant and equipment and derivative financial instruments.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the incorporated association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the incorporated association and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Grants

Grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Stadium lighting upgrade and second hockey pitch development projects

During the 2013 and 2014 financial years, the Association completed projects to upgrade the stadium lighting and installation of a second hockey pitch at the Pines Hockey Stadium. Both projects were fully funded by the Office for Recreation and Sport and the improvements made remain the property of the State Government. Accordingly, no revenue, expenses, assets or liabilities relating to both projects have been recorded in the financial statements of the Association.

South Australian Hockey Association Incorporated

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the incorporated association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the incorporated association and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Grants

Grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Stadium lighting upgrade and second hockey pitch development projects

During the 2013 and 2014 financial years, the Association completed projects to upgrade the stadium lighting and installation of a second hockey pitch at the Pines Hockey Stadium. Both projects were fully funded by the Office for Recreation and Sport and the improvements made remain the property of the State Government. Accordingly, no revenue, expenses, assets or liabilities relating to both projects have been recorded in the financial statements of the Association.

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2014

Note 1. Significant accounting policies (continued)

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Trade and other payables

These amounts represent liabilities for goods and services provided to the incorporated association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled within 12 months of the reporting date are recognised in current liabilities in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Goods and Services Tax (GST) and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

Note 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Provision for impairment of receivables

The provision for impairment of receivables assessment requires a degree of estimation and judgement. The level of provision is assessed by taking into account the recent sales experience, the ageing of receivables, historical collection rates and specific knowledge of the individual debtors financial position.

Note 11. Current liabilities - other

	2014	2013
	\$	\$
Accrued expenses	33,964	63,046
Deferred funding	100,858	510,345
Other current liabilities	-	2,396
	<u>134,822</u>	<u>575,787</u>

Included as part of deferred funding at 31 October 2013 was \$334,400 received from the Office for Recreation and Sport to fund upgrades at the Pines Hockey Stadium. The entire balance was expended during 2014.

Note 12. Equity - retained surpluses

	2014	2013
	\$	\$
Retained surpluses at the beginning of the financial year	480,945	421,575
Surplus after income tax expense for the year	<u>52,477</u>	<u>59,370</u>
Retained surpluses at the end of the financial year	<u>533,422</u>	<u>480,945</u>

Note 13. Key management personnel disclosures

Compensation

The aggregate compensation made to officers and other members of key management personnel of the incorporated association is set out below:

	2014	2013
	\$	\$
Aggregate compensation	<u>140,594</u>	<u>108,765</u>

Included within aggregate compensation are payments to AJE Consulting Pty Ltd in respect of CEO services provided by Andrew Ellis. Andrew resigned as Director on 4 July 2014 and was appointed as interim CEO on the same date as replacement for Darryl Buchanan who resigned on 25 June 2014 and finished employment on 15 July 2014.

Note 14. Contingent liabilities

Pines Hockey Stadium - management deed

The Association has a management deed with the State Government for the management of the Pines Hockey Stadium and a deed of charge in respect of monies held in certain bank and other accounts relating to the management of the Pines Hockey Stadium. The Association has undertaken to provide sufficient financial assistance, as and when needed, to enable the continued operations of the Pines Hockey Stadium.

Pines Hockey Stadium - replacement of playing surface

During 2010, the main synthetic playing surface at the Pines Hockey Stadium was replaced using funds granted by the State Government. At the time of this replacement, the Association gave an undertaking to the State Government to contribute to any future replacement of the synthetic playing surface at the Pines Hockey Stadium. It is anticipated that the amount and timing of any contribution would be determined by negotiation with the State Government at the time of letting of contracts for the replacement of the playing surface. The useful life of the current playing surface as at the date of this report is estimated to be between 4 to 7 years.

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2014

Note 15. Commitments

	2014	2013
	\$	\$
<i>Lease commitments - operating</i>		
Committed at the reporting date but not recognised as liabilities, payable:		
Within one year	5,086	5,086
One to five years	13,563	18,651
	<u>18,649</u>	<u>23,737</u>

The incorporated association had no capital commitments for expenditure as at 31 October 2014 and 31 October 2013.

Operating lease commitments include contracted amounts for office equipment under non-cancellable operating leases expiring within one to five years.

Note 16. Related party transactions

Key management personnel

Disclosures relating to key management personnel are set out in note 13.

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current and previous reporting date.

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

Note 17. Events after the reporting period

Other than the event disclosed below, no matter or circumstance has arisen since 31 October 2014 that has significantly affected, or may significantly affect the incorporated association's operations, the results of those operations, or the incorporated association's state of affairs in future financial years.

Pines Hockey Stadium – Management Deed

The Management Deed over the Pines Hockey Stadium expired on 31 December 2014. The incorporated association and the Office for Recreation and Sport have entered in to a monthly holdover process while the terms of the new Deed are negotiated.

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2014

Note 18. Related party transactions

(a) Board

The names of each person holding the position of Director of the incorporated association as at the date of this report are as follows:

Helen Stone - Chairperson
Garry Cawson - Deputy chairperson
Sarah McEachern
John Haynes
Nicola Nott
Juliet Haslam OAM

(b) Benefits

During the financial year:

(i) No Director of the Association, or a firm of which the Director is a member or body corporate in which the Director has a substantial financial interest, has received, or became entitled to receive, a benefit as a result of a contract between the Director, firm or body corporate and the association; and

(ii) Other than remuneration received in the capacity of employee of the Association, no Director of the association has received directly or indirectly from the Association any payment or other benefit of a pecuniary value.

South Australian Hockey Association Incorporated
Officers' declaration
31 October 2014

In the officers' opinion:

- the attached financial statements and notes thereto comply with the Australian Accounting Standards - Reduced Disclosure Requirements;
- the attached financial statements and notes thereto give a true and fair view of the incorporated association's financial position as at 31 October 2014 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable.

On behalf of the officers

Helen Stone
Chairperson

4 March 2015 Adelaide,
South Australia

Independent auditor's report

To the members of the South Australian Hockey Association Inc. (ABN 35 880 812 384).

We have audited the accompanying financial report of the South Australian Hockey Association Inc., which comprises the statement of financial position as at 31 October 2014, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the officers' declaration.

The responsibility of the Board for the financial report

The Board of the entity is responsible for the preparation of the financial report in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporations Act 1985* and for such internal control as the Board determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of the South Australian Hockey Association Inc. as at 31 October 2014 and its financial performance for the year then ended in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporations Act 1985*.
