2009 BOARD

Wayne Harvey, President (from September 2009)

40 Years with Hockey
Coach State Country Men & Women
Past President – Port Lincoln Hockey Association
25 Years Partner Boston Bay Cleaning Service
Ravendale – Board & Acting Chair

Nick Wagner, Finance Director

15 years involvement with Hockey
Played junior hockey with Lucindale Hockey Club in the Naracoorte League
Adelaide Hockey Club in the Metro Comp
Played senior hockey with Adelaide University Hockey Club
Chartered Accountant, 5 years experience at PricewaterhouseCoopers

Jim Tolson, Director (President to September 2009)

Immediate HSA past president, HSA board member 7 years
26 year involvement with hockey as player and administration, President Dartmoor Club, Naracoorte
President Brighton Hockey Club, President Seacliff Hockey Club.
Retired, 27 years Dept Primary Industries and Resources in SA and Agriculture Canada.
Bachelor of Veterinary Science (Sydney), Member Australian College of Veterinary Scientists

Helen Stone, Director

Forestville Hockey Club, SA Women's Vets representative
Previously Women's Secretary, Kingswood Hockey Club
Project Officer/Academic, School of Pharmacy
Bachelor of Pharmacy (SAIT), Bachelor of Science (Adelaide University), Member of the Pharmaceutical Society of Australia

Tim Collin, Director

7 years sports admin and 22 years hockey playing experience
Diploma Financial Services (Financial Planning) & Graduate Certificate in Applied Finance
Member of the Australian Institute of Company Directors
Director multiple commercial and not for profit boards
Investor and Fund Manager

John Arthur, Director

40 years involvement with hockey (playing/coaching)
Electrical Engineer
Engineering Manager Satellite and Telecommunications

David Smith, Director

Played or coached hockey since 1959
President of Whyalla Hockey Association in 1970s and early 80s.
President Barossa Valley Hockey Association 10 years till 2004.
Life memberships - Hummock Hill Hockey Club, Our Lady Help of Christians Hockey Club, Whyalla Hockey Association, Tanunda Hockey Club, Barossa Valley Hockey Association

PRESIDENT'S REPORT

I provide this report to the members of Hockey SA with a lot of pride in our achievements for this last year.

First, congratulations to Wayne Harvey who, in September 2009, was elected as the new Chairperson and President.

Wayne is the first country President of the Association and was made a Life Member in March 2009. His election by the Board was made possible by the provisions of the new constitution adopted by members in March 2009. I had advised the Board in February that I wished to step down from the position of President.

Hockey is the first major sport in SA to adopt a new constitution using the guidelines provided by the Office for Recreation and Sport. They also provide draft constitutions for you and draft Deeds of Agreement for us all to use.

Welcome to our new General Manager, Christine Robertson. Christine was appointed by the Board in September. She has a background in major events management, business management, branding and managing not for profit organisations. She is keen to meet all of you and take our sport forward.

I also thank Chris White for the service he provided over three years as General Manager. Chris was the first qualified General Manager we have had and he quickly restored our financial affairs and business relationships with you our members, government, Hockey Australia and other sporting organisations.

He also quickly implemented the sixty recommendations of the PKF Governance and Finance Report 2006.

Welcome the other new staff at Hockey SA.

We had several big events in the course of the year, not the least was the AHL event in Adelaide in March, the Malaysian game in July, the U15 Boys in September/October, the Golden Oldies in September and the Indoor U21's and Opens in December.

Congratulations all players, coaches and umpires selected to serve at Australian and International levels.

The Board of Hockey SA was successful in having a major change in the Australian Hockey League format adopted. This has been resisted by the other states for many years. We achieved a big reduction in our costs for the national league. Keeping costs low for a small State is critical.

We are working very hard to get the best results for improved facilities at Distinctive Homes Hockey Arena and a hockey presence in the proposed Super School at Gepps Cross. We met the Prime Minister at his Community Cabinet Meeting in August.

Jim Tolson
Immediate Past President

I would like to thank Jim Tolson for his tireless contribution to Hockey SA as president over the last 3 years. He has been at the helm during a period of great change to the structure and management of our sport and I would personally like

to congratulate him for his patient and skilful leadership.

Hockey in this state is now positioned to take advantage of some exciting developments in sport in this country including facility development and elite program refinement. A strengthening partnership with education also promises to assist in growing the participation base.

I've enjoyed working with Christine Robertson in the first 5 months of her role as General Manager and am certain she is the person to lead our sport into the future.

I would like to congratulate the board members on their endeavours over the past year in making the hard decisions to place our sport in a position of stability and with a clear vision for the future.

In closing I'd like to thank the staff and membership of Hockey SA for their support over the past 12 months.

Wayne Harvey
President

GENERAL MANAGER'S REPORT

2009 has been a time of great challenges and exciting changes at Hockey SA at all levels.

I take this opportunity to acknowledge my predecessor, Chris White for his work with the board over the last three years to return Hockey SA to a position of financial integrity. Net assets have again improved over the last 12 months and now stand at \$456K. This placed Hockey SA in a position to be able to repay 50% of the outstanding member loans in January 2009 and in December 2009 the HSA board approved the repayment of the remaining portion of the loans in January 2010.

In June 2009, Hockey SA adopted a new constitution based on guidelines provided by the Office of Recreation and Sport. The new constitution requires the board to elect the HSA President from within the board members and this resulted in a new President, Wayne Harvey (Port Lincoln), being elected in September. Wayne has been a source of knowledge and experience which has been invaluable to myself in my new role as General Manager. The President and Board of Directors are enthusiastic and open to a broad range of ideas to improve our services and to develop hockey statewide and this has been a considerable advantage in developing new programs and services.

At the Hockey SA Awards night in September, the Minister for Recreation and Sport, the Honourable Michael Wright announced funding of \$780,000 for the resurfacing of the pitch at the Pines. Work is due for completion by the end of April 2010 in time for the AHL Women's finals.

Despite a very strong business case for multiple pitches at The Pines, neither the state nor federal government have provided funding for this, leaving South Australia as the only state hockey centre in Australia that is not at international standard. The board and management will continue to work on this objective during the upcoming 2010 election campaigns to bring pressure on the elected party to provide funding for facility upgrades. With hockey in SA currently at maximum capacity it is imperative that new pitches are installed not only at the Pines but across SA as part of an overall long term plan that will service the needs of hockey into the year 2020.

In late 2009 Hockey SA extended its Deed of Management of the Pines Stadium with the Office of Recreation and Sport, giving Hockey SA the

responsibility to operate and maintain the facilities in a way that best suits the sport in SA. New ways to generate income are now being planned and a long needed revamp of the canteen and bar facilities being discussed. Income generated will then be used to maintain the venue at a standard that players have a right to expect.

As part of a revamp of our services and facilities, Hockey SA adopted a new logo in late October. Its simplicity and sweeping style in the three state colours provides a clean fresh image to brand new programs and innovations.

There have been considerable staff changes in 2009. Following my appointment as General Manager in early October, an organisational restructure has seen a number of positions made vacant until the completion of the pitch resurfacing in late April. The current team are professional, committed people who are dedicated to the improvement of our services and programs. I thank them for embracing my vision and style of leadership, and for making moving forward a much easier task than it may have been.

Hockey's success in SA is largely due to the many volunteers that give up their time to be on committees, run canteens etc at both club and state level. A huge thank you to you all. Without you we simply wouldn't exist. Hockey SA continues to operate also due to the ongoing support of our sponsors and supporters and we thank them all for their generosity. We also acknowledge the ongoing support from the Office of Recreation and Sport for their funding through the SStep 1 Grants program which provides funding for many of our core services.

When I was appointed to the position of General Manager in October 2009, the first thing that impressed me was the overwhelming passion of those involved in hockey in South Australia. With passion, great things can be achieved. But when you have so many people with so much passion, the key is to harness that passion and work together as a team. A team all heading in the same direction, aimed at raising the profile and quality of hockey in South Australia. I wholeheartedly believe that if we work together, there is nothing we cannot achieve for hockey here in SA.

Christine Robertson
General Manager

LET'S HOCKEY

2009 saw the introduction of the exciting new school junior development program of Hockey SA called "Let's Hockey". The program is designed to be a fun and fresh way of introducing school students to the great sport of Hockey.

"Let's Hockey" is aimed at raising the profile of Hockey across South Australia by exposing large numbers of primary school students to the sport resulting in increased numbers playing hockey.

The need for a state wide sustainable school based program was evident to produce a uniform image of our sport to schools. In previous years, clubs and associations were required to promote themselves to schools resulting in a mixed image of hockey and also exhausting the already overworked club volunteers.

By producing this uniformed schools program Hockey SA can guarantee schools a quality service.

"Let's Hockey" targets schools state wide in club and association catchment areas aiming to deliver the program to at least 6 schools per club/association in the first year. Schools can book 40 minute to 1 hour session for grade 3-7 students. To make the potential recruitment fair amongst clubs, Hockey SA has aligned each club a district and

"Let's Hockey" sessions conducted in that district will promote the appropriate club.

The "Let's Hockey" program was launched to the members on the 22nd of November with more than 30 representatives from member clubs and associations attending.

The support and excitement the program received was overwhelming and provided attendees a chance to network and discuss the program further.

As the program is conducted by Hockey SA, coaches are required to be trained and accredited as "Let's Hockey" coaches. Nominations to become a "Let's Hockey" coach were called for and once again the response was excellent with 25 applicants from all areas of the state and varying ages.

2010 looks to be a promising year for junior hockey

So.....

Dale Stephen

Event and Junior Development Coordinator

GAME DEVELOPMENT REPORT

2009 was an exciting time to be involved in Game Development in South Australia as Hockey SA continued to implement changes and improve the programs already in place. Development continues to support the growth of Hockey across the state whilst offering quality programs to all participants.

Development Programs

This year the Holiday Clinics were expanded to allow us to reach a wider range of athletes. These clinics continue to be well received by both the metropolitan and regional associations represented by those in attendance. With further improvements the Holiday Clinics will become a real hallmark of the Hockey SA development program.

Targeted Area Clinics were conducted monthly between February and November. The clinics are conducted to allow those in attendance to learn the latest in technical developments on a range of skills with each month being a different skill focus. The Targeted Area Clinics have proven very successful towards the end of 2009 and will continue to grow with new skills being focused on.

Hockey SA also visited numerous regional associations through out the year and provided skills clinics, coach and umpire information sessions as well as school visits. The highlight of these was the Clare visit where the development staff conducted 8 school visits in an area starved of sporting association visits.

The Hockey SA Kukri Academy was also implemented in 2009. The Academy was set up in order for the Game Development staff to gain more access to who we believe are the most talented kids across the state. It will also allow us to provide them with an opportunity to further develop their hockey and life skills in an environment of higher learning. I would like to thank Kukri, Just Hockey and Paradise Motors for the sponsorship they have provided.

State Zone Championships

In June, Hockey SA again hosted the State Zone Championships. The Zone championships continue to act as a way of improving the standard of hockey in South Australia. This was again evident from the standard of hockey and the number of players involved. From the six zones there was a variety of winners. The U13 Club Championships was also held with great success in terms of team numbers

and the standard of hockey witnessed by those fortunate enough to attend and continues to show the quality of players South Australia is developing.

This year the development staff implemented its new and improved selection process from these championships. The outcome of the new selection process were well received and allowed us to create quality state squads that would enable athletes to push each other to the next level through a tougher and more clarified selection process.

National Championships

South Australia again had a mixed year in 2009 with its results at the National Championships. Highlights included the U18 Men beating and drawing with WA and QLD respectively. The U21 Men climbing off the bottom of the ladder after last place finishes in 2007 & 2008. Both U15 teams finishing 5th, with the U15 girls showing that this group of players has a bright future ahead if they continue to work hard and further develop their skill and tactical knowledge.

The Southern Hotshots and Southern Suns also had a season of ups and downs. The Suns had some success defeating Victoria in a round game and then narrowly losing in the second match of the two game series. They went into the finals week with high expectations but unfortunately missed the finals. The group is still young but has a great deal of talent and hopefully will be competing in finals hockey soon. As for the Hotshots, the highlight of their campaign was pushing eventual champions Western Australia in both games during a two game series in Adelaide. The Hotshots will continue to rebuild over the next couple of seasons, but with a greater depth of talent now coming through things looks good for the future.

State team positions 2009

AHL M	7th
AHL W	6th
U21 M	6th
U21 W	7th
U18 M	6th
U18 W	8th
U15 B	5th
U15 G	5th

Other Highlights of the year were:

- Hookin2Hockey Super Clinics held with members of the Kookaburras
- Inaugural Game Development Forum
- Hosting of U15 Boys National Titles
- Implementation of Female Coaching Scholarship Program

2010 & Beyond

With the restructure of positions in the office, I look forward to the challenge of improving the High Performance program to ensure the results continue to improve.

Planning has commenced to further develop our coaches and players to provide them with all the necessary tools to continue our push for future success. New and progressive ideas are being implemented to ensure quality competitions are run and developed over the coming year.

Hockey SA will also look to expose a range of indigenous children to the sport of hockey throughout and beyond 2010 by way of regional visits and participation in the annual ATSI youth expo.

I wish to thank everyone that has been involved in the High Performance and Development programs in 2009. I look forward to another exciting year within the program.

Nick Lenoir

High Performance and Competition Manager

2009 has been a successful year for the SASI Hockey program, with many excellent results for our scholarship holders across all ranges and levels of competition. A different approach was implemented this year, which included a more individual based athlete on pitch focus, and programs set to suit each individual's specific needs.

Along with the many hours on the pitch, a lot of hard work goes on behind the scenes via SASI service providers, including Strength and Conditioning, Psychology, Physiology, Performance Analysis, Medical and Program Management, so I would like to extend a huge thankyou to Leigh Smith, Matt McGregor, Greg Rowsell, Tim Rawlins, Peter Barnes, Tim Bass, Rohan Hatatuowa and Russell D'Costa, Todd Cece, Jo Parsonage and SASI scholarship coach Rachel Hampton. I would also like to extend a big thankyou to HSA and the development team for their support and hard work throughout the year.

Grant Schubert continues to fly the flag for SASI within the men's program and was an integral part of the Kookaburras Champions Trophy win in Melbourne, and was also awarded the player of the series at tournament end. He also played his 150th international game in front of his home crowd in Adelaide during the test series against Malaysia. Cameron Joyce was elevated to the National Junior Squad after an exceptional U18's tournament along with Jonathan Peris who was a part of the Junior World Cup Squad. Scott Germein and Ed Chittleborough were selected in the National Futures Group, whilst Ed and Al Oliver travelled to Beijing as part of the Australian Schoolboys team.

DeAnne Gilbert forced her way back into the Hockeyroos squad and represented Australia at the Spa Cup in South Africa. SASI athlete of the year Bianca Greenshields was selected in the Junior World Cup team the Jilaroos, and was also named Captain.

More recently Holly Evans and Elise Stacy have forced their way into the Hockeyroos squad with Elise securing an AIS scholarship and will be

heading to Perth in the new year, whilst Holly will play her first senior international for Australia against New Zealand, which is a true testament to her courage, hard work and dedication throughout the year.

One of the real highlights of the year was our SASI Hockey Leadership Challenge. The theme for the challenge was The Amazing Race. A race around Adelaide, which saw all of our athletes partnered up and set many challenges throughout the day all across the city including Henley Beach, North Adelaide, Glenelg and the City Central. Many athletes performed tasks which were well outside their comfort zones and much fun was had by all, even in the searing heat!

Another new initiative for the year was our SASI Elite Goalkeeping Academy, which included 10 Keepers from across the state. Sessions were held at SASI, the SASI Aerial Centre, DHHA and Semaphore Beach. The Athletes worked extremely hard on hand eye sharpening and footwork drills as well as gymnastics and aerial awareness sessions. This has proven to be a terrific success and will certainly be continued well into the future.

All in all we have a terrific platform for success into the future, and I look forward to working with the next generation of future Kookaburras and Hockeyroos in 2010.

2009 was a consolidation year for the Hockey Metro competition.

Once again a very successful season that recognised improvements and increased capacity of the competition's administration processes and procedures. This was due particularly with the direct involvement of a dedicated resource i.e. Margie McIlwraith.

It would be remiss not to suggest that the reliance upon volunteers was yet another important factor for generating a very successful 2009.

Importantly the HME Rules Sub-committee provided important value to the efficiency of how the competition operated throughout the 2009 season. Although there is always room for continuous improvement within the rules of the competition, it would appear that 2009 resulted in less operational disputes between the members and indeed communications and deliberations on various issues/challenges were quickly dealt with, primarily due to the dedication and commitment of the Hockey Metro Executive and associated sub-committees.

Although the proposed cost centre for the Hockey Metro competition never eventuated, there was a shifting in the position and desired direction of Hockey SA to move closer to such an initiative. The notion of the Premier League being accepted into a 'State-wide' concept was also deliberated by the Board of Hockey SA and although this too did not go any further in 2009, it still has not been lost and continues to be on the agenda.

HME has now further strengthened its 'positioning' within the SA Hockey community and to this end has produced some outstanding results both within the operational levels and also the actual 'playing arena', where there has been a perceived improvement with playing standards and incremental increases in crowd participation.

A big thank you to the out-going 2009 Hockey Metro Executive for their tireless dedication, commitment and endeavour during the year. They have been a wonderful committee with a firm resolve.

No doubt the entire Hockey Metro membership extends their appreciation for the excellent effort

the Hockey Metro Executive and its sub-committees demonstrated throughout the year – well done!

Special appreciation needs to go to Margie McIlwraith and Maxine Murden for their magnificent support, follow up on all operational matters and maintenance of the program throughout 2009. Also many thanks to Paul Beckman for his support, perseverance, persistency and loyalty.

Mel Thompson has been an excellent contributor on the HME and she will be sadly missed – a warm thank you Mel.

Colin Shearing
Chair, Hockey Metro

UMPIRE'S REPORT

The Umpires' Committee of South Australia had yet another busy year in 2009. The advent of the 'Play your own ball' free hit and 'free hit out-side the circle' rule changes, required a quick response from the umpiring panel. Many Clubs requested an explanation of the rule changes to clarify the interpretations and representatives were sent to club venues to explain these changes. The rules were implemented in both Metro and Country Associations at the start of the winter season and most Associations were able to implement the changes smoothly.

Assessment of the panel and support of new umpires will continue to be a priority of the Committee this year. Also, with the support of the Board, we will endeavour to assist Country Associations to improve their umpire skill levels as well.

Our core of dedicated umpires continued to cover the Division 1 and most Division 2 matches this year. There was an increase in the number of umpires on the panel this year although we still need to recruit approximately 5 more onto the panel for the load to be shared equitably. We were able to send umpires to cover Country Grand Finals as requested by Country Associations. Many Country Association finals were staggered to enable umpires to go to the country for their final series, which helped the panel share the load. We also have been able to promote several umpires to Premier League this year and have started to allocate some of our talented juniors into the senior matches. We have been able to attract more junior umpires to umpire the junior games and we will continue to work on their development. The Committee thanks Sam Fitzgerald and John Berry for their work in allocating Junior appointments.

Our top level umpires performed exceptionally well in all of the Australian Championships that they attended. Tim Pullman umpired the final of the European Cup and maintains his ranking of 2nd in Australia! Levi Stevens has been promoted to umpire at the NHL and also umpired the Australia v Malaysia International games played in Adelaide with Tim. Dan Hasseloff has continued as an umpire at NHL level. Mark Pilkington umpired at the Under 21 Men's Championships. Sam Fitzgerald, Matthew Claxton and Ben Sutherland represented South Australia at the Under 15 Championships in Adelaide. Matthew umpired the Grand Final before travelling to Holland to play in their Winter

season. Rhiannon Murrie was selected to umpire in the Under 15 championships in Brisbane. Meagan McPhee was appointed to the Women's Vets panel and umpired in the finals series in the Over 35's. Johnathon Watson and Ella Bourne represented the State in an Invitational Under 13 Tournament for Boys and Girls held in Coffs Harbour, NSW. Mark Pilkington and Sam Fitzgerald have also been selected to umpire at the Under 18 Indoor Championships as well.

The challenge for us as a Hockey community is to continue to identify, encourage, support and develop quality umpires in this State. We recognized the contribution to Hockey umpiring in South Australia by Levi Stephen and Arnie Hissey, Men's and Women's umpires respectively, Bruce Murrie for Services to umpiring and Rhiannon Murrie as the 'Umpire with potential' at the Hockey SA Awards Presentation night. Rhiannon Murrie was also recognized as the umpire's scholarship recipient at the Past Players' Dinner. Gary Belder was also recognized earlier in the year and awarded life membership of Hockey SA for services to umpiring and we thank him for his continued valuable input into umpiring development.

On the Technical side, Rosie Stern was appointed Tournament Director at the Junior World Cup in Boston and we congratulate her on her appointment to such a level in World Hockey. Barry Holdsworth was appointed as tournament Director at the Under 15 championships here in Adelaide and had a band of local qualified helpers acting as Judges during the tournament.

I would like to thank the outgoing CEO of Hockey SA, Chris White, for his support and encouragement of hockey umpiring in this state. I would also like to thank the Umpires' Committee for their hard work throughout the season.

Bruce Murrie

Chairperson of the Umpires' Committee.

INDOOR HOCKEY 2009

In what was a big year for indoor hockey in South Australia, Adelaide hosted the Open and Under 21 Indoor Hockey National Championships for both Men and Women. It was a fantastic tournament and is sure to be remembered for some time by those who attended. I would like to thank the tournament organising committee, the many volunteers who offered their spare time and Hockey SA for their support.

The SA Open Women's team were unlucky to miss out on a spot in the final after losing their semi-final in extra time to eventual winners Western Australia. Unfortunately our Open Men's, U21 Men's & U21 Women's teams didn't fair quite as well, with all three teams failing to reach the finals.

At the conclusion of the championships Dave Francis and Daniel Cox were selected in the Australian Men's Indoor Hockey Squad for 2009/2010, with Holly Evans and Anastacia Tomeo earning selection in the Australian Women's Indoor Hockey Squad for 2009/2010.

Prior to commencement of this year's indoor hockey season, John Hooper visited from Victoria to help run some excellent clinics for both players and coaches, to help improve the skills and knowledge of those involved in indoor hockey within South Australia. It is hoped that more clinics will be held in the coming year.

This year saw the recommencement of the Hockey SA Indoor Hockey Competition in Adelaide, after a one year absence. This year's competition comprised of Men, Women, U17 Mixed, U15 Mixed and U13 Mixed comps. Plans are already being put into place to further expand the competition in 2010/2011 in order to take advantage of the potential indoor hockey has for growth here in South Australia.

Finally I would like to thank the current committee for all their work and support throughout the year.

Christian Underwood

Chairperson, SA Indoor Hockey Committee

SA VETERAN WOMEN'S COMMITTEE REPORT

2009 began with the Twilight Series being played at the DHHA ground and it was very pleasing to have 10 teams entered. Once again thanks go to Margie McIlwraith for organizing the programme.

This programme has been instrumental in getting many women back into hockey and as it is an informal format with no scores kept, and fees as low as possible, the players have a good time out there.

There was no subsidy of any kind for this programme from Hockey SA this year.

A trip for veteran women state players was organized to go to Port Lincoln. Thanks go to Janet O'Shea for her help in organizing the trip and liaising with Port Lincoln for the games. This venture was subsidized by both Hockey SA (\$1000) and the Vets Club (\$1000) to promote Veteran Women's Hockey in the Port Lincoln area, and try to attract players to trial for the veteran state teams later in the year. The trip was enjoyed by all players and indeed Port Lincoln showed good talent on field and great hospitality off it. Our trip must have been encouraging as Port Lincoln entered a team in the State Carnival Day.

To follow up in June the State Veteran Women's Carnival Day was held at Woodville Hockey Club grounds. Main organizer was Sue Lee and she was busy with 14 teams entered, 8 from country, 6 from city. It was also the 25th anniversary of this event and two large sponge cakes were provided to celebrate the event. Caroline Wood gave an overview speech of the Day's history and the crowd appreciated the presence of "originals" Trix Carrigan, Coral Sarjeant, Bev Jacobs and Caroline Wood.

The winners of the day were Riverland with Port Lincoln runners-up.

All three committee members continued working on the Organizing Committee of the Air New Zealand 14th Golden Oldies Hockey Festival held from Sep 20 -27th in Adelaide on the Pulteney Grammar playing fields.

As a result of this work Hockey SA received \$10,000 from Air New Zealand for the development of Veteran Women's Hockey.

State Trials were held for the Veteran Women and we were able to send 5 teams away to Hobart in October in 35+, 40+, 45+, 50+ and 55+ ages.

This is in part due to the increased participation from country players trialing after our veteran promotional visits. So our state teams are indeed more representative of the state. Thanks again to Judy Inkster for her help in organizing uniforms.

Whilst we did not get into the finals this year we did have some Australian representatives selected to play in either the Trans Tasman Cup against New Zealand in Newcastle in May, or the Masters International Tournament in July in England. Congratulations to Maxine Murden, Margie McIlwraith, Janet O'Shea and Jenny Kiel.

Former state veteran player Bev Jacobs, from Port Pirie, was an Australian Selector at the Championships.

The national meeting of Veteran Women was held in Hobart, delegate Judy Schmarr attending, and it was determined that a website for national Veteran Women will be organized for 2010. Caroline Wood is the Veteran Women's Coordinator on the National Committee.

Many Veterans volunteered for Technical Bench duties at the National Indoor Hockey Championships and their help was appreciated.

To round off the year the Twilight series began again but with a new component – the Heat Policy came into effect and caused some mayhem when 2 out of 6 scheduled games were canceled due to heat in December!

It is hoped that in 2010 the Veteran Women will be able to have a winter season competition.

Committee 2009

Caroline Wood, Judy Inkster, Judy Schmarr

SA VETERAN MEN'S COMMITTEE REPORT

In 2009, The Australian Veteran Men's Championships were held in Melbourne at Footscray grounds, with overflow games at Altona. South Australia had 4 teams competing in Over 40, 45, 50 and 60 age groups. It was pleasing to see that all teams were very competitive.

The SA contingent dinner was a very entertaining Greek themed affair, held at the Aegean Greek Restaurant in Brunswick Street, with many of the people in attendance really getting into the evening's theme. Costumes varied from ancient Greek soldiers, through the Greek Soccer team to somewhat dark and swarthy "ladies of the night". Mixed in with these were some very original costumes sourced from the nearby Queen Victoria Markets. Yet again, a great night was had by all, and Brian Ivkovic needs to be congratulated for his efforts in organizing the festivities.

The Managers, coaches and others who assisted in getting all teams on and off the pitch each game are sincerely appreciated. All teams had the services of a sports trainer to assist with treatment of injuries and massage before, during and after each game, and their services were greatly appreciated.

Team results:

Over 40's - This team played exceptionally well, but unfortunately the results were not reflected on the scoreboard. In their first game against Queensland, they should have been leading 2-0 but missed an open goal and then hit the post. In the end, they lost 2-1. All of their games were similar and the appreciative comments from other states spectators indicated that the team earned a lot of respect. Overall the team played 6, won 0, lost 5, drew 1, final position 7th.

Over 45's - This team had 8 first year players but acquitted themselves very well. Overall the team played 6, won 2, lost 4, drew 0, final position 5th. All games were closely fought and it is hoped that the new players will be encouraged to continue on to future championships.

Over 50's - The Over 50's have been playing together as a regular team for some years now and this showed in their strong performance. An excellent campaign to finish 4th overall. The traditional power states WA and Queensland did not make the final. SA demonstrated a tough and tight defence with possession and short passing

to the midfield and strikers. Unfortunately, by the finals many of the players were carrying injuries and came up against a very strong Victorian team in their semi-final, losing 4-0. Overall in the round robin section, the team played 6, won 2, lost 2, drew 2, final position 4th.

Over 60's - Following a relatively poor performance in 2008, the 60's excelled. In their first game against ultimate championship winners, Queensland, they led 1-0 until near the end when Queensland scored on a penalty corner for a 1-1 draw. In their second game they led Victoria 2-0, but Vic scored 2 late goals for a final score of 2-2. Four draws in tight games prevented the team from progressing to the finals. Overall the team played 7, won 1, lost 2, drew 4, final position 6th.

Neil Matthews

Chairman of Mens Veterans Committee

Adelaide Hills Hockey Club

The Adelaide Hills Hockey Club continues to grow and in this season fielded two new senior teams: men and women division

5. The club's total of nine teams consists of three junior, two women and four men, including the Vets. Our mens division 3 team did extremely well in their first season in that grade making it into the Grand Final and only narrowly conceding to Grange, 4-5. For a small club we have been successful in having a senior team reach the grand final for a number of consecutive years. The Adelaide Hills Hockey Club aims to provide a family atmosphere and encourages anyone to give our game a go. This is helping the club to grow and we hope that in the near future we will attract enough juniors to enable us to offer a girls team for competition. The committee continues to liaise with the local council in our aim to improve the pitch facility at Littlehampton.

Catherine Christian
Secretary

Adelaide Hockey Club

2009 was a good year for Adelaide Hockey Club, on and off the field. We continue to have fantastic

numbers of juniors and this is due at least in part to our fabulous Minkey competition. Held in the Parklands on Friday afternoons it is something we are very proud to run. Thanks to Trudie Cain who steps down as Minkey coordinator after 6 marvellous years in the role. We introduced Thursday night dinners at the Club in 2009 and they proved to be a great success. Our Club Days continue to draw crowds and the unveiling of the Club BBQ Trailer at the season's first Club Day was a highlight. The BBQ Trailer was built by a number of the Metro 4 boys, and it has quickly become the Club's social hub. Junior presentation night was once again a huge event at Adelaide, with in excess of 300 people celebrating the 2009 junior season. It's a great family atmosphere with kids racing around on the "nursery" with hockey sticks and balls while their parents enjoy a glass of red – it serves as a real reminder of what's great about being part of a hockey club.

Susan Treglown
President

Adelaide University Hockey Club

2009 was a successful year for the Adelaide University Hockey Club with 8 out of our 14 teams playing

finals and our Metro 3 Women taking out the premiership. Ross Fitzgerald won the Premier League Mens Player of the Year for the second time. 2009 saw the introduction of two new Premier League coaches in Roger McDonald for the Men and Barry Cibich for the Women. The Club would like to thank them for their commitment throughout the season. Adelaide Uni continues to develop as a club with our major focus for the near future being upgrading the West Beach pitch and facilities, reintroducing juniors and planning for our centenary year in 2012. The committee would like to thank all those people who contributed to the clubs successes in 2009 and we look forward to continuing the growth and development of the club in 2010.

Tim Collin
President

Barossa Valley Hockey Association

BVHA had a very successful year both on and off the field. Our Zone team won the Mens and both Under

17 Girls and Boys competition to make us the most successful zone. Locally what commenced as a year with the potential for numbers to be dropping ended with very good numbers. Through the foresight of the participating clubs we were able to maintain a B grade womens' competition (nine aside) thus encouraging a number of girls and women to either commence hockey or continue when it had looked like this would not occur. Each of the grand finals were evenly matched with a number going to Golden Goal extra time. We as an association welcomed back one of our former Junior umpires in Levi Stephen for the grand finals. He along with long serving life member George Small gave the finals the experience necessary. We thank them both for their contribution in making the day a success. Special mention to Guy Draper and Sue Stephen who ensured every thing at the Association ran well and to script.

Siobhan Barnden
President

Berri Hockey Club

Berri Hockey Club had another successful year in the Riverland Association. We have attracted 120 players to our club to participate in the great sport of Hockey. Our major highlight for the year was when one of our junior players Karri McMahon became the co captain of the Australian School Girls team who travelled to Singapore, England and Wales to play against regional and national sides. This team was undefeated during its tour. We have also had 5 other players represent the state in various teams. We are proud that our club and association can produce players of the highest caliber. We have strengthened our junior ranks with the running of the minkey program for the Riverland which saw 20 young Berri players commence their association with Hockey. This junior development will remain our focus over the coming years. Our club is in a strong financial position which will allow us to be proactive in the future.

Gavin McMahon
President

Blackwood Hockey Club

Blackwood Hockey Club had a mixed season in 2009. The MW4 team failed to make the finals after recording a Premiership in 2008. The Metro Grass team's fortunes were mixed - beating the top team one week and losing to the bottom team the next before ultimately failing to qualify for the finals by goal difference.

Sue Dalitz
Secretary

Burnside Hockey Club

Burnside Hockey Club commenced the 2009 season with much anticipation following the re-appointments of senior coaches Tim Pullman (men) and Bob Claxton (women). The club had again nominated 9 senior teams and was eager to improve on the two premierships from 2008. Whilst success was again restricted to just one flag from the Metro 5 men the club was competitive in other grades but overall it was a disappointing year on the field with our Premier League men and women both missing finals action despite a late charge at the end of the season. Highlights from the season

included a Premiership from the Metro 5 men after being promoted from Metro 6, the Veterans B side almost repeating their premiership win from 2009 and an outstanding club representation in state senior and underage sides

Jeff Dry
Club Senior Hockey Director

Clare and District Hockey Association

Clare And District Hockey Association is a small association consisting of 4 Clubs, Balaklava, Burra, Clare and Riverton with 19 teams in total. Whilst small in numbers our stature helps give our all and we function well because of this. We are encouraging our juniors to participate in carnivals, something that has lapsed over the years. It was pleasing to see our talented juniors trial for the Mid North Zone teams with many gaining places. A team of U13 boys competed in the Junior Championships at Grange. We also fielded a Men's and Women's team at the Kadina Carnival. Some members were very fortunate to play for the Country State Teams and Veteran's teams - a great effort and commitment from those individuals. Our Development Umpiring program encouraged all players to 'give umpiring a go'. We may be a small Association, but it is encouraging to see the spread of talented people within Association.

Jayne Price
Secretary

Enfield Hockey Club

A week before season 2009 our club suffered a ceiling collapse and due to the ceiling being asbestos and the costs to remove, the councils red tape saw us without our clubrooms for the entire season and we also lost a great deal of assets due to asbestos dust. This affected our ability to generate normal income for the club and this subsequently showed in our disappointing financial result for 2009. A downturn of over \$2000-\$3000. The club rooms were not restored until October 2009. Our newly promoted Metro 1 Mens team did exceptionally well finishing 4th and in the finals, and the ladies metro four finished 4th and in finals.

Anthony Altman
President

Flinders University Hockey Club ("FUHC")

The 2009 hockey season was a great season for the club.

FUHC membership base has grown over the last season. The club has faced and come through the challenges from the last couple of years after the introduction of Voluntary Student Union fees in 2006 which placed a significant "dent" in the clubs finances and significant doubt on the clubs future. However, these challenges have been overcome, through the hard work and fundraising of our dedicated committee members. Although one of the smaller clubs in the winter competition, the 2009 season saw the Metro 5 team once again make finals for the third year in a row. Congratulations to the members of this team. The 2009 season also saw a significant improvement in the placing of our Metro 3 Men's and Women's teams. The 2009 season also saw an increase in numbers for the Men's Veteran

Briston Talbot
President

Forestville Hockey Club

The 2009 season was an important year for the development of Forestville Hockey Club. The club entered 8

teams in the junior competition and twelve teams in the senior competition with numerous teams playing in finals. The Premier League and Metro 1 men's' teams continued to grow in both strength and depth. The Premier League team finished 6th after enjoying strong competition during the minor round. Younger squad members relished the opportunity to play at Premier League level and learn from the more experienced players. Forestville women participated in the Premier League competition for only their second year. The season was interrupted by the loss of players to both injury and travel, however, it was promising to see players from lower grades make the most of the opportunity to play at Premier League level. The Metro 2 women's team achieved their primary goal in securing promotion to Metro 1 in 2010 after finishing 2nd in the minor round. This is seen as an integral step for development of the women's squad and making Forestville Hockey Club an attractive environment for the development of juniors.

Helen Waldie
President

Grange Royals Hockey Club

2009 for Grange Royals was one of development, but also some success in winning three premierships. We entered 8 junior and 9 senior teams, with Metro 3 men, Metro 5 women and Vets becoming premiers. The remaining teams had varying success, and we had quite a number of our very young junior players vying to play in our Metro 5 men's team where they gained valuable experience playing in a senior team with mature experienced players around them. We also had 19 players who enjoyed the challenge of being chosen to represent State teams. Our weekly Saturday night dinners at the club continue to be a very popular meeting place for our players and friends, and certainly keeps the kitchen volunteers very busy as the number of meals being served continues to increase. Many late nights are had in a great social atmosphere.

Kym Pena
President

Lower South East Hockey Association

The 2009 season commenced under new executive leadership. Tony Brown, Alison Regan, Gary Hocking, Anne Fowler and Di Ind accepted executive roles within the Association. Long serving Executive members Matthew Kain, John Martin-Brown, Terry Manser, Haydn Dow and Sharon Lewis stood down after many years of volunteer service to our Association. We are very fortunate to have had their wealth of experience and leadership for so many years. On behalf of the whole Association we sincerely thank them. A new era began, we had a record number of teams nominate for the season. In excess of 800 registered players across nine clubs. Sixty teams played hockey across the region in Mount Gambier, Penola, Naracoorte & Portland. West and Portland combined their U15 girls and Div 1 men to maximise opportunities and to strengthen their clubs. Our Association experienced a very successful Minkey program in 2009. Nine local primary schools participated in our 8 week program. Numerous young players registered their interest to continue to play.

Di Ind
Director

North East Hockey Club

The North East Hockey Club has had an extremely successful year. We have had significant growth in both senior and junior membership. After increasing our juniors by three additional teams this year we expect even more growth with up to 20 juniors currently involved in our Minkey Program. Our canteen has been getting rave reviews from visiting players for its great range of food. This year we had the largest canteen profit and thanks must go to all the volunteers. We had 15 junior players in state representative teams this year which was a 50% improvement on last year. This improvement showed the success of our Junior Development program. This year was the club's most successful year on the field in our 15 year history. We had 10 teams in finals with 6 making it through to grand finals. We were successful in winning 4 premierships in M1 men, M2 men, M2 women and U13 men. I would like to thank all the coaches and especially the players who contributed to coaching and development of the juniors.

Jim Hughes
President

PGC/Seymour College OCA Hockey Club

With the addition of a third team to the club this season, Seymour had a challenging, solid and consistent year. Metro 1 was promoted from Metro 2 and faced tougher competition. With the encouraging and motivating guidance from coach Rob Porter and captain Jodie Camilleri, the girls did extremely well to make the finals. As the new team to the club and ably coached by Ryan Florence-Rieniets, players from Metro 3 had a challenging and strong year. Becoming familiar with the standard of the competition and creating strong foundations for what will develop into a competitive and skilled team. Metro 5 had another consistently solid year. Making the finals for the 3rd year in a row, they played well and were constantly challenged. Coached by both Chris Cole and Andy Leat the team had a lot of fun. Special thanks must also go to Robyn LeCornu who umpired both Metro 3 and 5 every week.

Prue Mainprize
President

Port Adelaide & Districts Hockey Club

2009 marked the 75th year since the Clubs inauguration and we celebrated that milestone in June with the Black and White Ball at the Lakes Resort Hotel. This year was also remarkable for the fact that the whole Club changed uniforms and for the first time both men and women wore the same design. The Club entered 25 teams in the Metro competition and once again entered a team in every competition in every grade (except metro Grass). Pre-season for the Premier League and Metro 1 players saw 2 new innovations. The Club employed a qualified trainer for the physical fitness and also enlisted the services of David Arnfield to conduct elements of the Port Power player development program. Off the field the Club has continued to develop and grow its membership base. The water base turf is now in its seventh season and playing extremely well. The surrounding infrastructure is beginning to show its age and repairs and upgrades continue to be a drain on resources.

Paul Beckmann
President

Port Lincoln Hockey Association

2009 has been a busy year for Port Lincoln Hockey Association with visits from South Australian Sports institute, SA Veterans and Adelaide University Hockey Club. Our Regional Centre of Excellence is in its second year under the guidance of head coach Phill Foreman, with a model of delivery that has been acknowledged as leading the way in fitness, skill and coaching development. The future for Port Lincoln Hockey Association looks bright. We have encouraged the establishment of the 'Junior Think Tank' through the Regional Centre of Excellence to rebuild the junior committee structure to advise the Board and take some leadership in coordinating and reporting on junior issues. We look forward to the first draft of new bylaws and then a constitution which will be a positive step to support clubs and players participating in the sport, and reflect the game as it is played now, with room for growth into the future.

Andrea Broadfoot
President

Prince Alfred College Hockey Club

PACHC once again fielded one team in the 2009 winter season at the Metro 3's level. We managed to retain most of the players from the 2008 season, and were able to acquire some impressive recruits as well. The team had some good results during the year but failed to capitalise on opportunities up forward. This ultimately cost the team a chance at finals as some tight losses and draws that could have been wins would have made all the difference. The season ended with 3 wins, 6 draws and 9 losses resulting in the team finishing 7th on the table. The goals were shared around amongst the players more than usual this season, but the team's leading goal scorer was Hamish Eske with 4 goals. Thank you to Andrew Baillie for his support in the administration of the Club. and to Simon Burke, Hamish Eske, Richard Edwards, Patrick Sadlier and Joanna Caracoussis for their assistance with tasks and events during the year. Thank you to Sam Tyler (Burnside) and Mark Gobolos (Adelaide) who umpired for us for the bulk of the season.

Alex Chapman
PACHC Chairman

Pulteney Old Scholars Hockey Club

The 2009 season saw Pulteney enter a Women's team for the first time. This doubled the size of our playing numbers overnight but ensured we had our most successful season (off the field)

yet. Having both a Men's and Women's team has been a target of the club for many years and is something we are proud to now have. Player numbers were again tough to maintain due to our small player base but the club was able to maintain a team each week. Umpiring was again a taboo topic for our players and the club. Due to the small size we found it extremely hard to find an umpire for each of our games each week. Cash incentives did work but caused the club's budget to be pushed to the limit.

Scott Rouvray
President

Seacliff Hockey Club Inc

It was pleasing to see so many teams competitive and in finals, with 14 teams from Seacliff that finished in the top 4 at the end of the minor rounds. Our club introduced new uniforms to the PL and M1 teams in 2009, and will be introduced to all grades in 2010. Seacliff was host to U15 Boys Zone Championships and thanks go to the many helpers who assisted in putting together a successful presentation of our club to the wider hockey community. The club is very active with coaching in several schools, and bringing this development together with a Lighting Carnival held at the club. Fantastic results with approximately 200 students participating on the day.

Adrian Roach
President

St Peters Old Collegians

2009 Was a exciting year for SPOC, despite being demoted from the Mens M1 to M2, they finished strongly to be in the finals which lost to NE 2-1. Our M4 team finished 1 spot outside the finals in 5th place, only 1 point from 4th. The Mens M6 team had a lot of new placers that just enjoyed having a run around. 2009 also saw the new Womens M5 team to complement out M1 team. The womens M5 team finished 2nd, and looked promising. The Womens M1 team had a disappointing year finishing bottom, but only on goal difference.

Peter Gao
President

Stonyfell Saints Hockey Club

For the past 2 years Stonyfell Saints have not fielded a grass hockey team during the Winter Season. It became increasingly hard to find interested players for weekend games. We have continued to field an ever increasing group of interested players from all over the place, and of a wide age group, to play Summer Hockey. We are now under the Woodville Hockey umbrella, but still call ourselves Stonyfell Saints. This has been very successful for us, as many of the players only come out for the summer season, and thoroughly enjoy the camaraderie of the team. We play hard together, vary considerably in skill level and fitness, and age, but above all we have a lot of fun and many laughs. Although sometimes we are well and truly beaten, we are still competitive, and it enables those of us who play club competition in winter, to maintain some skill base and fitness. It has been easier organising a summer team than a winter team. We run on a shoe string budget with no profit at all, so having the loaned money returned to us from HSA this year and last, and being under the Woodville banner, has helped a lot.

Vicki Bolt
President

Tatiara Hockey Association

The Tatiara 2009 season was very successful. Four very enthusiastic junior teams took to the field every week with approx 30 Rookies having their own fun. Tatiara was also successful in the junior zone completions held on the June weekend and had several children selected through to state squads.

Fred Evans
President

UniSA Lions Hockey Club

UniSA Lions Hockey Club had five teams in the Adelaide Metro competition in 2009. These were M2, M3 and M5 Women's teams and M2 & M5 Men's teams. The club had

a large proportion of University students, some graduates and general public members. In total the club had around 75 players in 2009. The club had a strong focus on strengthening teams for the long term. This included a commitment to increase the

number of trained and qualified umpires, work to strengthen and keep goal keepers within the club, increasing the overall membership base of the club, supporting and training coaches where needed and an overriding focus on fitness and skills training for all members. The club successfully managed to keep fees low for students in particular due to committed and ongoing support by our sponsors and fund raising by the committee. The club will use the 2009 developments to build a better season in 2010 with hopes of some successful teams.

Bryony Gibson
President

Veterans Club 2009

The Veterans Club offers a monthly social outlet for current /former Veteran age Hockey players or friends of Veterans Hockey, as well as organisational and financial support to mainly Veteran Women's Hockey in SA. In 2009, six members organised the Golden Oldies Hockey Festival – raising \$10,000 for Hockey SA. In March, member Janet O'Shea organised a trip to Port Lincoln to promote State Veteran Women's Hockey. The Club assisted with \$1000, Hockey SA matched it. Members also volunteered to help serve food at the State Zone Championships. In June member Sue Lee organised the 25th anniversary Carnival Day of the SA State Veteran Women's Hockey Carnival Day at Woodville with 14 teams entered. Riverland won the day with Port Lincoln runners-up. Members served as officials at the Indoor Hockey Championships. Many members participated as players, coaches and managers at the National Veteran Women's Hockey Championships in Hobart in October. Congratulations to members Marg McIlwraith, Janet O'Shea, Maxine Murden, Jenny Kiel upon being selected in their age groups for the Australian Veteran Women's Hockey teams, for Trans Tasman Challenge in May in Newcastle 2010 or International Masters Challenge in July in England 2010. Celebrations - !0th year of the Club – formed 1999.

Judy Schmarr
President

Westminster Hockey Club

2009 was a rebuilding year for Westminster Hockey Club.

The club entered 2 teams and focused on rebuilding player numbers in order to stay competitive. Overall the two teams performed much better than the previous year thanks to the coaching efforts of Tony Benson. Our club was fortunate enough to attain the services of 3 competent umpires for the season. Umpires were paid \$50 per game by the players, this was of great benefit as being a small club it did not require players to umpire and miss out on game time and lessen strength of the squad. Our teams and club would not have been able to play at full strength if we had not been in this fortunate position. Westminster Hockey Club fielded 2 men's team in 2009, our Metro 3 team was coached by Tony Benson a long standing member and past president of the club. Our Metro 6 team was self coached but joined in at mid week training with our senior side. Whilst one of the smallest clubs in the competition our club remains financially viable by keeping our overheads low and fundraising and sponsorship enabled by a hard working committee

Chris Malec
President

Woodville Hockey Club

Season 2009 saw many mixed results for the Woodville Hockey Club. Although on-field success was once again low as a whole for the club, 2009 did see many improvements. With no Men's sides making it into the finals, due to many reasons, we have now improved and are ready to push ourselves to the next step. Unfortunately the Premier League Women's team was unable to build on the success of 2008 and missed out on finals. Congratulations must be made to Noona Thompson and the Metro 2 Women and Gayle Dixon and Metro Grass Women for making finals but were unable to go all the way. Well done once again to the Vets A Men who also made finals. On the junior side of the Club saw us bring in our only premiership for the year, well done to the U15 Boys. Unfortunately we tried to enter a U13 girl's team but despite gallant efforts by many to recruit

players we were unable to have a steady team week in week out. Once again lots of hard work off the field by many volunteers has seen the club grow and keep on heading in the right direction for a viable future. With the ground work being made off the field it is now only a matter of time for this to translate onto on-field success for the Woodville Hockey Club.

Joshua Kennewell
Secretary

Yorke Peninsula Hockey Association

Another season has passed. We have seen most clubs struggle to find players at sometime during the winter. Many different names and faces were out there playing, particularly in the men's competition. It was also the wettest season for a long time, which hopefully has helped the grounds around the peninsula to survive a bit longer. We started the season with an information day with Dale and Nick from HSA informing us on the new rules. It took most of the season for players and umpires alike to get used to the free hit - play on rule. In the end it seemed to work quite well so I expect to see the "trial run" become a new rule addition for 2010. Congratulations to all the winners for 2009. It was great to see the younger players come to the fore as trophy winners. Well done to everyone involved with the final's series and to the winners for the season. We again saw local players selected at various levels of State representation which is a good indication of the level of hockey we are playing on YP.

Sue Fenwick
President

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1. **SUMMARY OF ACCOUNTING POLICIES**

The significant accounting policies employed in the preparation of these financial statements are:

(a) **Basis of Preparation**

In the opinion of the Directors, the Association is not a reporting entity. The financial statements have been drawn up as a special purpose financial report for distribution to its members.

The financial statements have been drawn up accordance with the Accounting Standards and disclosure requirements of the Australian accounting bodies.

Except where stated, the accounts have been prepared on the basis of historical costs and do not take into account changing money values on current valuations of non-current assets.

These accounting policies have been consistently applied by the Association, and except where there is a change in accounting policy, are consistent with those of the previous year.

The carrying value of all non-current assets is reviewed at least annually to determine whether they are in excess of their recoverable amount. If the carrying amount exceeds the recoverable amount, it is written down to the lower value.

(b) **Inventories**

Inventories are carried at the lower of cost and net realisable value.

(c) **Property, Plant & Equipment**

Items of property plant and equipment purchased by the Association are recorded at cost.

Items of property plant and equipment acquired by way of grant are recorded at the fair value of the grant at the date the entity gains control of the asset. The grant is recognised as revenue when received.

Items of property plant and equipment are depreciated over their estimated useful life using the straight-line method.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1. SUMMARY OF ACCOUNTING POLICIES Cont.

(d) Employee Entitlements

The provision for employee entitlements to annual leave and long service leave represent the amount the Association has a present or future legal obligation to pay resulting from employees' services provided to balance date. The provision has been calculated using current salary rates and an allowance for on-costs.

(e) Income Tax

The activities of the Association are exempt from taxation under Section 23(g) of the Income Tax Assessment Act 1936 as amended.

2. STATE TEAM LEVY INCOME

15. **RELATED PARTIES**

(a) **Management**

Executive Board

The names of each person holding the position of Executive Director of the Association as at the date of this report are as follows:

- Wayne Harvey - President
- Nick Wagner - Director of Finance
- John Arthur
- Tim Collin
- David Smith
- Helen Stone
- Jim Tolson

(b) **Benefits**

During the financial year:

- (i) No Director of the Association, or firm of which the Director is a member or body corporate in which the Director has a substantial financial interest, has received, or became entitled to receive, a benefit as a result of a contract between the Director, firm or body corporate and the Association; and
- (ii) Other than remuneration received in the capacity of employee of the Association, no Director of the Association has received directly or indirectly from the Association any payment or other benefit of a pecuniary value.

16. **LOAN FROM MEMBERS**

At the Budget and General Meeting of the Association held on 5th February 2006, the Membership resolved that, by way of team levy, each Member would provide the Association with an interest-free loan. The total loan amount was \$75,600. These loans have been partly repaid in this financial year and the balance will be fully repaid on 11 January 2010.

17. **CONTINGENT LIABILITIES**

Pitch replacement

The State Government has committed to replacing the synthetic playing surface at the Pines Stadium in the first half of 2010. The Association has given an undertaking to the State Government to contribute to any future replacement of the synthetic playing surface at the Pines Stadium. It is anticipated that the amount and timing of any contribution would be determined by negotiation with the State Government at the time of letting of contracts for replacement of the playing surface. The useful life of the current playing surface is estimated to be between 7 and 10 years.

The association has committed to contribute to the maintenance and minor refurbishment of the Pines Stadium at the time of the 2010 pitch replacement.

DECLARATION BY THE EXECUTIVE BOARD

DECLARATION BY THE EXECUTIVE BOARD

In the opinion of the Executive Directors of the South Australian Hockey Association Inc.:

- (a) The accompanying Statement of Financial Performance is drawn up so as to present fairly the operating profit of the Association for the year ended 31 October 2009;
- (b) The accompanying Statement of Financial Position is drawn up so as to present fairly the state of affairs of the Association as at 31 October 2009;
- (c) The accompanying Statement of Cash Flows is drawn up so as to present fairly the cash flows of the Association for the year ended 31 October 2009; and
- (d) At the date of this statement there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

The Financial Statements of the Association have been made out in accordance with the Constitution and Rules of the Association, The Associations Incorporation Act (SA) and Australian accounting standards.

Signed in accordance with a resolution of the Executive Board.

W. Harvey
President

Director

Dated this 28th day of January, 2010

INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

Scope

I have audited the special purpose financial statements of the South Australian Hockey Association Inc. for the financial year ended 31 October 2009, consisting of the Statement of Financial Performance (Operating Surplus \$81,477), Statement of Financial Position (Net Assets \$456,820), Statement of Cash Flows, accompanying notes and the declaration by the Executive Board as set out on pages 1 to 10. The Association's elected Executive Directors are responsible for the preparation and presentation of the financial statements and the information they contain. I have conducted an independent audit of these financial statements in order to express an opinion on them to the Association. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the Association.

The financial statements have been prepared for distribution to Members for the purpose of fulfilling The Executive Board's financial reporting requirements under the Association's constitution and the provisions of the Association's Incorporation Act (SA). I disclaim any assumption of responsibility for any reliance on these financial statements or on the financial statements to which it relates to any person other than the Members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and the provisions of the Associations Incorporation Act (SA) so as to present a view that is consistent with my understanding of the Association's financial position, the results of its operations and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In my opinion the financial statements present fairly in accordance with applicable Accounting Standards, other mandatory professional reporting requirements and the Associations Incorporations Act (SA), the financial position of the South Australian Hockey Association Incorporated as at 31 October 2009 and the results of its operations and cash flows for the year then ended.

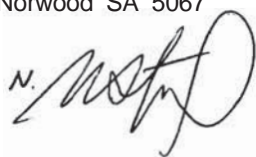

Independence Declaration

Pursuant to the requirements of Section 307C of The Corporations Act 2001, I declare that, to the best of my knowledge and belief, during the year ended 31 October 2009 there have been:

1. No contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
2. No contraventions of any applicable code of professional conduct in relation to the audit.
